NOTIFICATION

No. 137-L.—28th January, 1970.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

BILL No. 10 of 1970

THE WEST BENGAL HOMOEOPATHIC SYSTEM OF MEDICINE (AMENDMENT) BILL, 1970.

A

BILL

to amend the West Bengal Homoeopathic System of Medicine Act, 1963.

WHEREAS it is expedient to amend the West Bengal Homoeopathic System of Medicine Act, 1963, for the purpose and in the manner hereinafter appearing; West Ben. Act XXXIII of 1963.

It is hereby enacted in the Twenty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the West Bengal Homoeopathic System of Medicine (Amendment) Act, 1970.

Amendment of section 21 of West Ben. Act XXXIII of 1963.

2. In section 21 of the West Bengal Homoeopathic System of Medicine Act, 1963, in the proviso to sub-section (2), for the words "within a period of two years from the date of commencement of this Act", the words and figures "on or before the 31st day of December, 1970" shall be substituted.

Repeal and savings.

3. (*1*) The West Bengal Homoeopathic System of Medicine (Amendment) Ordinance, 1969, is hereby repealed. West Ben. Ord. XVI of 1969.

(*2*) Anything done or any action taken under the West Bengal Homoeopathic System of Medicine Act, 1963, as amended by the West Bengal Homoeopathic System of Medicine (Amendment) Ordinance, 1969, shall be deemed to have been validly done or taken under the said Act as amended by this Act as if this Act had commenced on the 12th day of December, 1969. West Ben. Act XXXIII of 1963.

STATEMENT OF OBJECTS AND REASONS.

Section 21(2) of the West Bengal Homoeopathic System of Medicine Act, 1963, read with paragraph 4 of the Schedule thereto required that such persons as were in regular practice of the Homoeopathic System of Medicine for a period of not less than three years immediately before the commencement of the Act, should, on payment of the prescribed fees, be registered with the Council of Homoeopathic Medicine, West Bengal, provided that they applied for such registration within two years of the commencement of the Act and possed an oral examination held by the Council for the purpose.

2. The Act came into force on 1st August, 1964, and registration of about 11,000 Homoeopathic practitioners, who applied till 31st July, 1966, for registration, has almost been completed in terms of the aforesaid provision. But still a large number of Homoeopathic practitioners having not had the knowledge of the provision of the Act for want of adequate publicity, could not apply for registration by 31st July, 1966. Different representative organisations of the Homoeopathic practitioners and also the Council of Homoeopathic Medicine, West Bengal, were by representations urging the State Government to extend the time-limit beyond 31st July, 1966. The State Government, after careful consideration of such representations, decided to extend the time-limit till 31st December, 1970, so as to enable the existing eligible practitioners to seek registration with the Council in terms of the said provision. And for this purpose, it was necessary to amend section 21(2) of the West Bengal Homoeopathic System of Medicine Act, 1963.

3. But the margin of time left being short and the Assembly not being in session or likely to be summoned to meet soon, the decision was implemented by amending the said section of the Act, by promulgating the West Bengal Homoeopathic System of Medicine (Amendment) Ordinance, 1969, on 12th December, 1969.

4. The Bill seeks to enact the provisions of the Ordinance.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

By the Government of West Bengal, Labour Department, order No. 7196-I.R./IR/10L-102(B)/69, dated the 15th September 1969, this industrial dispute between Messrs. Guest, Keen, Willams Ltd., and their workmen was referred to the Fifth Industrial

Tribunal under section 10 of the Industrial Disputes Act for adjudication upon the issue mentioned below.

Issue

What should be the quantum of bonus for the year 1967?

Notices were issued and duly served on the parties. The Company made appearance on 28th October 1969 and filed its authority. The Unions and representatives of the workers did not turn up and took no steps on the date fixed. The Tribunal suo matu fixed two more dates for this case, but neither the Unions nor the Company did turn up and take any steps. It seems that the parties are not interested with the present reference. It is quite likely that the parties have settled their dispute amicably out of Court, and that is why both the parties, viz., the Company and the Unions, absent themselves and take no steps on the dates fixed by the Tribunal. So it will be of no use to keep the reference alive merely by fixing fresh dates.

In the circumstances I pass a 'no dispute' award and dispose of the reference accordingly.

Dictated and corrected by me.

Judge.

No. 77-I.R./IR/8L-47/68.—5th January 1970.—Whereas under the Government of West Bengal, Labour Department, order No. 4194-I.R./IR/8L-47/68, dated the 16th June 1969, the industrial dispute between Messrs. Rabin Hosiery, 17/1 B.T. Road, Calcutta-2 and their workmen represented by West Bengal Hosiery Workers' Union, 23 Ananda Khan Lane, Calcutta-5, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Fifth Industrial Tribunal;

And whereas the said Fifth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Rabin Hosiery, 17/1 B. T. Road, Calcutta-2 and their workmen represented by West Bengal Hosiery Workers' Union, 23 Ananda Khan Lane, Calcutta-5. (Case No. 215 of 1969.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

By the Government of West Bengal, Labour Department, order No. 4194-I.R./IR/8L-47/68, dated the 16th June 1969, this industrial dispute between Messrs. Rabin Hosiery and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication upon the issue mentioned below.

Issue

Whether the refusal of employment to Shri Jamuna Sharma is justified? To what relief, if any, is he entitled?

On receipt of the reference notices were issued to the parties. The Union made appearance and filed written statement. The acknowledgment receipt of the notice to the Company was not received. The Company did not turn up and take any steps. From the order of reference it appears that the parties were informed by the Government about the reference of the dispute to the Tribunal. However, the Tribunal fixed 1st November 1969 for the hearing of the case. The Union did not turn up on that date and took no steps. Thereafter the Tribunal suo matu fixed two other dates for the hearing of the case, but neither the Union nor the Company did turn up and take any steps. When the Union at whose instance the reference was made does not turn up and take any steps, it is probable that it has come to some sort of settlement with the Company out of Court, and that is why it refrains itself from attending the Tribunal proceedings. In the circumstances I pass a "no dispute" award in this case and dispose of the reference accordingly.

Dictated and corrected by me.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Mansfield Oil Gas & Co. Ltd., 16 Radhanath Chowdhury Road, Calcutta-15 and their workman Shri Jibandhan Ghosh of 1/4A Sachin Mitter Lane, Calcutta-3, represented by himself. (Case No. 322 of 1967.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

Present for the Company : Shri S. N. Banerji, Advocate.

Present for the Workman : Shri C. L. Ganguly, Advocate.

By the Government of West Bengal, Labour Department, order No. 2101/I.R./IR/15L-10/67, dated the 22nd May 1967, this industrial dispute between Messrs. Mansfield Oil Gas Company Ltd. and their workman Shri Jibandhan Ghosh was referred to this Tribunal under section 10, read with section 2A of the Industrial Disputes Act, for adjudication upon the issue mentioned below.

Issue

Whether the termination of service of Shri Jibandhan Ghosh is justified ? To what relief, if any, is he entitled ?

On receipt of notice from the Tribunal both the parties made appearance and filed their respective written statement.

The case of the workman Shri Jibandhan Ghosh is as follows : —

Shri Jibandhan Ghosh was a patient of dysenteric disease. On or about 21st December 1964 he went for a change outside Calcutta on three months' leave obtained from the Company with effect from 21st December 1964. On 15th February 1965 he received a registered letter, dated 12th February 1965, from the Company containing a charge that he had absented himself from duty since 21st December 1964 without intimation to and permission from the Company. He was also advised by the Company in that letter that he should resume his duty within 48 hours from the date of receipt of the said letter. On 16th February 1965 Shri Ghosh sent a reply to the Company stating that he had taken three months' leave and left Calcutta on medical ground with the knowledge and permission of the Commercial Manager Shri Krishna Kumar Ganeriwala and Shri Iswari Prosad Ganeriwala. Then the Company by its letter, dated 24th/26th February 1965, asked Shri Ghosh to put in a leave application with medical certificate. On receiving the Company's letter Shri Ghosh informed the Company that he would submit application for leave on his return to Calcutta and after being examined by a doctor. On 23rd March 1965 Shri Jibandhan Ghosh submitted an application to the Company together with a medical certificate praying for leave up to 22nd April 1965. On 28th April 1965 Shri Ghosh contacted Shri K. K. Ganeriwala and requested him to extend the leave up to 1st May 1965. He submitted an application accordingly. On 3rd May 1965 Shri Ghosh went to the office as usual and signed the attendance register. But the Company did not give him any work on the plea that the management could not yet decide which department he should be placed in for work and that he was instructed by the Company to go home. He was also told by the Company that he would be informed within a day or two which department he should join. Shri Ghosh, however, did not receive any intimation from the management for more than a fortnight. On 22nd May 1965 Shri Ghosh received a letter from the Company, dated 21st May 1965, asking him to resume his duty within 48 hours. He was also intimated by the Company in that letter that in case he did not join his duty within 48 hours of the receipt of the letter, the Company would presume that he was no longer interested with his service. Then on 24th May 1965 Shri Ghosh sent a letter to the Company explaining the circumstances under which he did not attend office so long. The Company, however, did not give reply to this letter. Thereafter Shri Ghosh wrote several letters to the Company. The Company informed him by the letter, dated 10th December 1965, that his services were terminated with effect from 8th June 1965. Then Shri Ghosh moved the Government for intervention in the matter. Conciliatory attempts by the Labour Directorate having failed, the present reference has been made by the Government to this Tribunal for adjudication of the issue mentioned above.

The Company alleges that the services of Shri Jibandhan Ghosh were terminated properly and that the present reference is not maintainable at all.

Decision

First of all I shall consider whether the present reference is maintainable or not. This reference has been made by the Government under section

10 read with section 2A of the Industrial Disputes Act, 1947. It is submitted by the learned lawyer for the Company that as the services of Shri Jibandhan Ghosh had been terminated prior to this date on which section 2A came into force, this individual dispute cannot be treated as an industrial dispute and, as such, this reference is not maintainable. Section 2A came into force on 1st December 1965. According to the Company the services of Shri Ghosh were terminated on 8th June 1965, i.e., before the section 2A came into force. Let it be assumed for the sake of argument that the services of Shri Ghosh were terminated on 8th June 1965, and then let me see whether the reference is maintainable or not. The Company has produced certain documents in this case. Ext. 2(b) is the letter by which the Company intimated Shri Ghosh for the first time that he was no longer in the service of the Company with effect from 8th June 1965; but there is no paper to show that prior to 10th December 1965 Shri Ghosh was informed by the Company that he was no longer in the service of the Company. That being so, it is to be treated that the letter, dated 10th December 1965, is the letter of termination of service. As the letter is dated 10th December 1965 and as section 2A of the Industrial Disputes Act came into force on 1st December 1965, it should be held that the reference is maintainable. Moreover, it is clear from the correspondence made by the parties that the dispute continued to exist even after section 2A came into force. It has been held in the case reported in 1968 (II) L.L.J. page 85 that where discharge or dismissal or retrenchment or termination of service took place prior to the date on which section 2A came into force and continued to exist on the date the section came into force and thereafter, it would fall within the provision of section 2A. The 'individual dispute' between Shri Ghosh and the Company became an 'industrial dispute' on 1st December 1965 by reason of the provisions of section 2A of the Industrial Disputes Act and the same industrial dispute was existing on the date when the reference was made by the Government to this Tribunal. I, therefore, find that the reference is maintainable.

Now I shall deal with the merits of the case. Admittedly Shri Ghosh absented himself from duty with effect from 21st December 1964. According to Shri Ghosh he went on three months' leave on medical ground, with the permission of the Commercial Manager Shri K. K. Ganeriwala and Iswari Prosad Ganeriwala. According to the Company Shri Iswari Prosad Ganeriwala had no connection with this establishment and that he had no authority to grant permission to Shri Ghosh to go on leave. Shri Iswari Prosad Ganeriwala has been examined in this case as O.P.W. 1. He wants to say that he had no connection with this Company. The letter, dated 24th/26th February 1965, written by the Company to Shri Ghosh, will show that the allegation of the Company and the evidence of O.P.W. 1 Shri Iswari Prosad Ganeriwala are not true on this point. Ext. 2 is the letter in question. This letter was written by K. S. Rajan on behalf of the Manager of the Company. In this letter it has been mentioned that Iswari Prosad Ganeriwala asked Jibandhan Ghosh to put in a formal application for leave. So this letter proves that Iswari Prosad Ganeriwala had connection with this Company and that he had authority to grant permission to Shri Ghosh to go on leave. However, it is an admitted fact that Shri Ghosh did not put in formal application for leave. He wants to say that there was no practice of submitting leave application in the Company. It appears that on previous occasions Shri Ghosh submitted applications for leave. Ext. B series are leave applications submitted by Shri Ghosh. So I find that it is not true that no formal application was necessary for taking leave. However, in this present case the question whether formal application is necessary or not does not matter at all. Ext. 1 is the letter written by the Company to Shri Ghosh. By this letter Shri Ghosh was asked to resume his duty within 48 hours from the date of receipt of the letter. Shri Ghosh, however, did not report for duty on receipt of this letter. He sent a letter to the Company. Ext. 1(a) is that letter. On receipt of this letter the Company sent a reply to Shri Ghosh. Ext. 1(j) is that letter. By this letter the Company asked Shri Ghosh to submit formal application for leave, preferably with a medical certificate. Ext. 1(b) is the reply sent by Shri Ghosh to the Company on receipt of the letter, dated 24th and 26th February 1965. By this letter he informed the Company that he would submit medical certificate on his return to Calcutta and having been examined by the doctor. It appears that thereafter Shri Ghosh submitted leave application together with a medical certificate. Ext. 1(c) is the application and Ext. 1(d) is the medical certificate. By the application, Ext. 1(c), Shri Ghosh prayed for leave up to 22nd April 1965. Admittedly leave was granted to him up to 22nd April 1965. It appears that thereafter Shri Ghosh made another application for leave. Ext. 1(e) is that application for extension of leave up to 1st May 1965. It is the evidence of P.W. 2, Jibandhan Ghosh, the workman concerned, that on the expiry of leave he reported for duty on the 3rd May 1965, and that he signed the Attendance Register. The Attendance Register shows that Shri Ghosh attended office on 3rd May 1965. It is, therefore, clear that Shri Ghosh joined his duty on 3rd May 1965 after the expiry of leave. It is the case of Shri Ghosh that on 3rd May 1965 when he reported himself for duty he was not given any work, that the management told him to go home and wait for a few days as it could not then be decided which department he should be placed in for work, and that the management further told him that he would be informed within a day or two over telephone which department he should join. The further case of Shri Ghosh is that the management did not inform him anything about his work within a day or two, and that even after he had telephoned the management on the 7th or the 8th May 1965 he was not informed anything about his work. The question is whether this allegation of Shri Ghosh is true or not. O.P.W. 3 Shri K. K. Ganeriwala is the Commercial Manager of the Company. He

says that it was not to his knowledge that Jibandhan Ghosh attended office on 3rd May 1965. It is therefore clear that he tries to conceal the fact that Jibandhan Ghosh attended office on 3rd May 1965. The very fact that Shri K. K. Ganeriwala tries to conceal the fact of Shri Ghosh's attendance on 3rd May 1965 leads me to think that the allegation made by Shri Ghosh is true. The Attendance Register shows that Shri Ghosh did not attend office after 3rd May 1965. The evidence of Shri Ghosh is that he did not attend office after 3rd May 1965 as he did not receive any intimation from the Company. This allegation seems to be true. He attended office on 3rd May 1965. He was not given any work on that day. So it was natural for him to wait for further intimation from the management. It appears that on 21st May 1965 the Company wrote a letter to Shri Ghosh. Ext. 1(h) is the letter in question. The letter runs as follows :—

"Shri Jiban Dhan Ghose,
1/4A Sachin Mitra Lane. Calcutta-3.

21st May 1965.

Dear Sir,

Since 3rd May 1965 you have been absenting from your work without permission or intimation to us. You are therefore directed to resume your duties within 48 hours from the date of receipt of this letter, failing which it will be presumed that you are no longer interested in the services of the Company and that you have left the services of the Company of your own accord and your name shall accordingly be struck off from the rolls.

Yours faithfully,

Mansfilled Oil Gas Co. Ltd.

R. N. Ganeriwala,
Manager."

By this letter the Company wanted to say that Shri Ghosh was absenting himself from work since 3rd May 1965 without permission and without intimation He was asked by this letter to resume work within 48 hours of the receipt of the letter, that if he failed to do so it would be presumed that he was no longer interested with the services of the Company and that the Company would take it as he had left the service of the Company of his own accord. Admittedly Shri Ghosh received this letter on 22nd May 1965. He did not report for duty within 48 hours, as directed in the letter. So the Company wants to say that the services of Shri Ghosh were terminated in terms of this letter, Ext. 1(h). But it appears that the services of Shri Ghosh were not terminated on the basis of this letter. The Company's own letter proves this. Ext. 2(b) is the letter in question. This letter is dated 10th December 1965. By this letter the Company makes out a case that the services of Shri Ghosh were terminated with effect from 8th June 1965. Thus it is not true that the services of Shri Ghosh were terminated on the basis of the letter, dated 21st May 1965 [Ext. 1(h)]. Now the question is whether the Company was justified in terminating the services of Shri Ghosh on 8th June 1965. In the letter, dated 10th December 1965, no reason has been shown as to why the services of Shri Ghosh were terminated with effect from 8th June 1965. The learned lawyer for the Company refers to section 27(5) of the Model Standing Orders and says that Shri Ghosh was guilty of misconduct as he had remained absent without leave for more than ten days. But it appears that Shri Ghosh did not report for duty as no intimation was given to him by the management after 3rd May 1965. So it cannot be said that Shri Ghosh was guilty of misconduct. As a matter of fact, in a case of misconduct the management should ordinarily hold an enquiry into the matter. But, admittedly, no such enquiry was held by the Company. Shri Ghosh was not given any opportunity to explain why he did not attend office after 3rd May 1965. So it is clear that the management did not follow the rules of natural justice in terminating the services of Shri Ghosh. It cannot be said that it is a case of voluntary abandonment of employment. By the letter Ext. 1(h) the Company asked Shri Ghosh to report for duty within 48 hours from the date of receipt of the letter. It was mentioned in the letter that in case he failed to resume his duty within 48 hours, as aforesaid, the Company would treat this as he had left the service of his own accord. But it is not the case of the Company that on 24th June 1965 the Company treated that Shri Jibandhan Ghosh had left the service of his own accord. In the letter, Ext. 2(b) the Company tried to make out a case that the services of Shri Ghosh were terminated with effect from 8th June 1965. But no reason has been shown why his services were terminated with effect from that date. It appears that on receipt of the letter, dated 21st May 1965 [Ext. 1(h)], Shri Ghosh wrote a letter to the Company refuting the allegations made against him. Ext. 1(i) is the letter in question. In this letter he detailed the circumstances under which he did not attend office after 3rd May 1965. Shri Ghosh made these allegations immediately on receipt of the letter, dated 21st June 1965. So I am inclined to think that the allegations made by him against the management are true. Of course, he would have done better if he had reported for duty on 24th May 1965. It would have been prudent on his part if he attended office on 25th May 1965. No doubt it was a mistake on his part. But on the same date he wrote the letter Ext 1(i) refuting the allegations made against him in Ext 1(h). The Company should have considered the contents of the letter Ext. 1(i) before it terminated the services of Shri Ghosh. Shri Ghosh wrote several letters after that date. Exts 1(j) and 1(k) are those letters. The management did not consider the contents of those letters also. It is, therefore, crystal clear that the management adopted unfair labour practice, and that the services of Shri Jibandhan Ghosh were terminated in complete violation of the principles of natural justice. In this connection it may be mentioned that the case of the Company that the management terminated the services of Shri Ghosh on 8th June 1965 does not seem to be true. The attendance register shows that Shri Ghosh was in the service of the

Company up to 21st August 1965. The name of Shri Ghosh appeared in the attendance register up to 21st August 1965 and thereafter his name was discontinued. So it appears that the Company's case that the management terminated the services of Shri Ghosh with effect from 8th June 1965 is not true. Shri Ghosh was in the service of the Company up to 21st August 1965. I find that Shri Ghosh's services were not terminated on the basis of the letter, dated 21st May 1965 [Ext. 2(a)]. I find that the services of Shri Ghosh were not terminated with effect from 8th June 1965 as asserted by the Company in the letter, dated 10th December 1965, Ext. 2(b). The attendance register shows that the services of Shri Ghosh were terminated with effect from 22nd August 1965. But the Company does not show any reason why the services of Shri Ghosh were terminated on that date.

It appears that when correspondences were going on between the Company and Shri Ghosh, there appeared an advertisement in the news paper for employment and that Shri Ghosh submitted an application for the said job. But simply because of the fact that Shri Ghosh applied for the job advertised in the news paper it cannot be said that Shri Ghosh was not interested with the service of the Company. As he was not sure about the Company's doing with regard to his employment, he might have applied for the job advertised in the news paper.

Admittedly, no charge-sheet was issued against Shri Jibandhan Ghosh, and no enquiry was held against him. The management terminated the services of Shri Ghosh without giving him any opportunity to explain his conduct. I, therefore, find that the Company was not at all justified in terminating the services of Shri Jibandhan Ghosh. He is, therefore, entitled to reinstatement in service.

It appears Shri Ghosh was also guilty of negligence. He was advised to put in an application for leave by the letter, dated 24th/26th May 1965 (Ext. 1-j). Shri Ghosh did not send any formal application for leave on receipt of this letter. By the letter, dated 21st May 1965 (Ext. 1-h) Shri Ghosh was asked to report himself for duty within 48 hours from the date of receipt of the letter. Shri Ghosh received the letter on 22nd May 1965. He should have reported for duty on 24th May 1965 accordingly. Shri Ghosh wants to say that he went to the office for duty on 25th May 1965. This assertion does not seem to be true. In the letter written by Shri Ghosh after he had received the letter of the Company, dated 21st May 1965, he did not mention that he had gone to the office for duty on 25th May 1965. Had it been a fact that he had gone to the office on 25th May 1965 he would have mentioned this fact in his letters. I am, therefore, of the opinion that Shri Ghosh should get half the wages only for the period of his unemployment.

It is directed that the Company shall reinstate Shri Jibandhan Ghosh in his former post of employment and pay him half wages for the period of his unemployment. The award shall come into operation from the date of its publication in the "Calcutta Gazette".

Whether the refusal of employment to Shri Niharendu Bhattacharyya is justified ? To what relief, if any, is he entitled ?

After due notice the parties entered appearance and they filed written statements. Ultimately they filed a joint petition of compromise on 15th October 1969. The case was fixed on this day for hearing. On this day the Union has filed a

petition praying for passing an order directing the Engineering Works Ltd. to show cause why the agreement should not be treated as cancelled. Their allegations are that the Company did not make payment as per terms of the agreement, and that the Company was harassing and humiliating Shri Bhattacharyya in various ways. Now, according to the terms of the agreement Shri Niharendu Bhattacharyya was to be reinstated in his service with continuity and that the period of unemployment for the period from 19th July 1968 till the date of reinstatement on or before 1st November 1969, shall be treated as leave without pay and that Shri Niharendu Bhattacharyya shall be paid a sum of Rs. 325 as ex gratia on 1st November 1969 in addition to his earned wages, due leave, bonus and other legal dues, if any. The Engineering Works has filed a receipt showing that Rs. 325 has been paid to Shri Bhattacharyya on 1st December 1969. There is no allegation that he has not been reinstated in service. Now the observance of the terms of agreement by parties is an entirely different matter which, in my opinion, should not be taken into consideration in deciding the question whether the petition of compromise should be accepted or not. There is nothing in the petition of compromise which is opposed to law, morality or public policy and is legal within the meaning of the Indian Contract Act. I therefore do not see any objection to accept the petition of compromise and I accept it. The result is that this case succeeds.

Hence ordered that this case is allowed on compromise in terms of the petition of compromise, dated 15th October 1969, which do form a part of the award.

STATEMENT OF OBJECTS AND REASONS.

The object of the Bengal Finance (Sales Tax) (Amendment) Bill, 1970, is to continue the provisions of the Bengal Finance (Sales Tax) (Amendment) Ordinance, 1969, which was promulgated on 16th October, 1969 with a view to raising the much needed additional resources for meeting the increasing commitments both on account of plan schemes and growing non-plan expenditure mainly by the following additional taxation measures:—

(*1*) A multi-point sales tax at the rate of ½ per cent. has been imposed on sales by a registered dealer to another registered dealer of goods, other than those referred to in section 14 of the Central Sales Tax Act, 1956, and those included in Schedule II, of the Bengal Finance (Sales Tax) Act, 1941, intended for resale by the purchasing registered dealer in West Bengal;

(*2*) Tax on sales of yarn other than cotton yarn; tractors and powertillers and spare parts, components and accessories thereof, when sold to a person who requires them for use in agricultural purpose and fertilisers has been imposed at 2 per cent. Khadi silk fabrics and garments made thereof have been subjected to sales tax at the rate of 6 per cent. Sale of diamond has been made taxable at higher rate of 12 per cent.

2. By the aforesaid Ordinance, the rate of tax on sales of goods including containers or packing materials to a registered dealer, required by him for use directly in the manufacture in West Bengal of goods for sale and for packing them or in connection with the raising of coal in West Bengal and to electrical undertaking for use by it directly in the generation or distribution of electrical energy has been reduced to 1 per cent. from the prevalent rate of 2 per cent.

3. The Taxation Enquiry Commission set up by the Government of India recommended that the ideal system of sales tax in a country like India would be a combination of a low rate of multi-point tax with a comparatively high single-point tax. While West Bengal had so long followed a single-point sales tax system many other States in India have adopted the multi-point system. West Bengal has now adopted the system of multi-point sales tax but the stage of sale from a retailer to a consumer does not come within the purview of the tax. As this new impost will impose some fresh burden on industry because of the levy at successive stages, the rate of sales tax on raw materials, plant and machinery, etc., under section 5(*1*)(*bb*) of the Bengal Finance (Sales Tax) Act, 1941, has been reduced from 2 per cent to 1 per cent.

4. No additional expenditure is envisaged in order to give effect to the provisions of the Bill.

Statement of particulars of subject-matter of suits and plaintiff's valuation thereof.

9. In every suit in which an ad-valorem court-fee is payable under this Act on the plaint, the plaintiff shall file with the plaint a statement of particulars of the subject-matter of the suit and his own valuation thereof unless such particulars and the valuation are contained in the plaint. The statement shall be in such form and shall contain such particulars as may be prescribed by the State Government by notification in the *Official Gazette*. In every such suit the plaintiff shall also, if the Court so directs, file a duplicate copy of the plaint and of the said statement.

(1) In every suit in which a court-fee is payable under this Act on the plaint or memorandum of appeal the Court shall, on the date fixed for the appearance of the opposite party or as soon as may be thereafter, and in every case before proceeding to deliver judgment, record a finding whether a sufficient court-fee has been paid.

(2) If the Court records a finding that an insufficient court-fee has been paid on the plaint or memorandum of appeal the Court shall—

(a) stay all further proceedings in the suit until it has determined the proper amount of such court-fee payable and the plaintiff or the appellant, as the case may be, has paid such amount or until the date referred to in clause (b), as the case may be:

Provided that if the plaintiff or appellant gives, within such time as the Court may allow, security, to the satisfaction of the Court, for the payment of any additional amount for which he may be found liable the Court may proceed with the suit,

(b) fix a date before which the plaintiff or appellant shall pay the amount of court-fee due from him, as determined by the Court under clause (a).

(3) If the plaintiff or appellant fails to give the security referred to in clause (a) of sub-section (2) or to pay the amount referred to in clause (b) of that sub-section within the time allowed, or before the date fixed, by the Court, as the case may be, the suit shall be dismissed.

11. If the Court is of opinion that the subject-matter of any suit has been wrongly valued, it may revise the valuation and determine the correct valuation and may hold such inquiry as it thinks fit for such purpose.

The West Bengal Court-fees Bill, 1970.

(Chapter III.—Computation of fees.—Clauses 12—15.)

Investigation to ascertain proper valuation.

12. (1) For the purpose of an inquiry under section 11 the Court may depute, or issue a commission to, any suitable person to make such local or other investigation as may be necessary and to report thereon to the Court. Such report and any evidence recorded by such person shall be evidence in the inquiry.

(2) The Court may, from time to time, direct such party to the suit as it thinks fit to deposit such sum as the Court thinks reasonable as the costs of the inquiry, and if the costs are not deposited within such time as the Court shall fix, may, notwithstanding anything contained in any other Act, dismiss the suit if such party is the plaintiff or the appellant and, in any other case, may recover the costs as a public demand.

13. (1) The Court, when making an inquiry under section 12 shall have, respectively, for the purposes of such inquiry or investigation, the powers vested in a Court under the Code of Civil Procedure, 1908 in respect of the following matters, namely:— 5 of 1908.

14. (1) If in the result of an inquiry under section 11 the Court finds that the subject-matter of the suit has been undervalued the Court may order the party responsible for the undervaluation to pay all or any part of the costs of the inquiry.

(2) If in the result of such inquiry the Court finds that the subject-matter of the suit has not been undervalued the Court may, in its discretion, order that all or any part of such costs shall be paid by the State Government or by any party to the suit at whose instance the inquiry has been undertaken, and if any amount exceeding the proper amount of fee has been paid shall refund the excess amount so paid.

16. (1) Every question relating to valuation for the purpose of determining the amount of any fee chargeable under this Chapter on a plaint or memorandum of appeal shall be decided by the Court in which such plaint or memorandum, as the case may be, is filed, and such decision shall be final as between the parties to the suit.

(2) But whenever any such suit comes before a Court of Appeal, reference or revision, if such Court considers that the said question has been wrongly decided, to the detriment of the revenue, it shall require the party by whom such fee has been paid to pay so much additional fee as would have been payable had the question been rightly decided,

(a) if the party required to pay is the appellant or petitioner, the provisions of sub-sections (2) and (3) of section 10 shall, so far as may be, apply;

(b) if the party required to pay is the respondent or the opposite party, the provisions of sub-section (2) of section 10 shall, so far as may be, apply, and, if such party fails to pay the fee required before the date fixed by the Court, the Court shall recover the amount of such fee from him as a public demand.

Explanation.—For the purposes of this section a question relating to the classification of any suit for the purpose of section 7 shall not be deemed to be a question relating to valuation.

Recovery of deficit court-fee in certain cases.

17. (1) The High Court shall, when dealing with an application for leave to appeal to the Supreme Court, make an order for the payment of any deficit court-fee with such interest not exceeding six *per centum per annum* as the High Court may direct, in all cases where the High Court finds that the subject-matter of the suit or appeal had been undervalued either in the Court of first instance or in the Court of Appeal or in both, irrespective of whether the certificate of fitness for appeal to the Supreme Court is or is not granted.

(2) The fee together with interest thereon found to be payable under sub-section (1) shall be paid by the party ordered to do so and if such party fails to pay the amount required before the date fixed by the High Court, it shall be recoverable from him as a public demand.

Provided that if, in the case of a remand in appeal, the order of remand shall not cover the whole of the subject-matter of the suit, the certificate so granted shall not authorize the appellant to receive back more than so much fee as would have been originally payable on the part or parts of such subject-matter in respect whereof the suit has been remanded.

Refund fee on application for review of judgment.

19. Where an application for a review of judgment is presented on or after the ninetieth day from the date of the decree, the Court, unless the delay was caused by the applicant's laches, may, in its discretion, grant him a certificate authorizing him to receive back from the Collector so much of the fee paid on the application as exceeds the fee which would have been payable had it been presented before such day.

The West Bengal Court-fees Bill, 1970.

Multifarious suits.

21. (1) In any suit in which two or more separate and distinct causes of action are joined and separate and distinct reliefs are sought in respect of each, the plaint or memorandum of appeal shall be chargeable with the aggregate amount of the fees with which the plaints or memoranda of appeal would be chargeable under this Act in separate suits instituted in respect of each such cause of action:

Provided that nothing in this sub-section shall be deemed to affect any power conferred by or under the Code of Civil Procedure, 1908, to order separate trials. 5 of 1908.

(2) Where more reliefs than one based on the same cause of action are sought either jointly or in the alternative, the fee shall be paid according to the value of the relief in respect of which the largest fee is payable.

Written examinations of complainants.

22. When the first or only examination of a person who complains of the offence of wrongful confinement, or of wrongful restraint, or of any offence other than an offence for which police officers may arrest without a warrant, and who has not already presented a petition on which a fee has been levied under this Act, is reduced to writing under the provisions of the Code of Criminal Procedure, the complainant shall pay a fee of one rupee unless the Court thinks fit to remit such payment. 5 of 1898.

Exemption of certain documents.

CHAPTER IV

Probates, letters of administration and certificates of administration.

Relief where too high a court-fee has been paid.

24. Where any person on applying for the probate of a will or letters of administration has estimated the property of the deceased to be of greater value than the same has afterwards proved to be, and has consequently paid too high a court-fee thereon, if, within six months after the true value of the property has been ascertained, such person produces the probate or letters to the Board of Revenue for the local area in which the probate or letters has or have been granted,

and delivers to such Authority a particular inventory and valuation of the property of the deceased, verified by affidavit or affirmation,

and if such Authority is satisfied that a greater fee was paid on the probate or letters than the law required, the said Authority may—

(a) cancel the stamp on the probate or letters, if such stamp has not been already cancelled;

The West Bengal Court-fees Bill, 1970.

(*Chapter IV.—Probates, letters of administration and certificates of administration.—Clauses 25—28.*)

(b) substitute another stamp for denoting the court-fee which should have been paid thereon; and

(c) make an allowance for the difference between them as in the case of spoiled stamps, or repay the same in money, at his discretion.

Relief where debts due from a deceased person have been paid out of his estate.

25. (1) Whenever it is proved to the satisfaction of such Authority that an executor or administrator has paid debts due from the deceased to such an amount as, being deducted out of the amount or value of the estate, reduces the same to a sum which, if it had been the whole gross amount or value of the estate, would have occasioned a less court-fee to be paid on the probate or letters of administration granted in respect of such estate than has been actually paid thereon under this Act, such Authority may return the difference, provided the same be claimed within three years after the date of such probate or letters.

(2) But when, by reason of any legal proceeding, the debts due from the deceased have not been recovered and made available, and in consequence thereof the executor or administrator is prevented from claiming the return of such difference within the said term of three years, the said Authority may allow such further time for making the claim as may appear to be reasonable under the circumstances.

Relief in case of several grants.

26. (1) Whenever a grant of probate or letters of administration has been or is made in respect of the whole of the property belonging to an estate, and the full fee chargeable under this Act has been or is paid thereon, no fee shall be chargeable under the same Act when a like grant is made in respect of the whole or any part of the same property belonging to the same estate.

(2) Whenever such a grant has been or is made in respect of any property forming part of an estate, the amount of fees then actually paid under this Act shall be deducted when a like grant is made in respect of property belonging to the same estate, identical with or including the property to which the former grant relates.

Probates declared valid as to property though not covered by court-fee.

27. The probate of the will, or the letters of administration of the effects, of any person deceased heretofore or hereafter granted shall be deemed valid and available by his executors or administrators for recovering, transferring or assigning any movable or immovable property whereof or whereto the deceased was possessed or entitled, either wholly or partially as a trustee, notwithstanding the amount or value of such property is not included in the amount or value of the estate in respect of which a court-fee was paid on such probate or letters of administration.

Provision for case where too low a court-fee has been paid on probates, etc.

28. Where any person on applying for probate or letters of administration has estimated the estate of the deceased to be of less value than the same has afterwards proved to be, and has in consequence paid too low a court-fee thereon, the Board of Revenue for the local area in which the probate or letters has or have been granted may, on the value of the estate of the deceased being verified by affidavit or affirmation, cause the probate or letters of administration to be duly stamped on payment of the full court-fee which ought to have been originally paid thereon in respect of such value and of the further penalty, if the probate or letters is or are produced within one year from the date of the grant, of five times, or, if it or they is or are produced after one year from such date, of twenty times, such proper court-fee, without any deduction of the court-fee originally paid on such probate or letters:

The West Bengal Court-fees Bill, 1970.

(Chapter IV.—Probates, letters of administration and certificates of administration.—Clauses 29—31.)

Provided that, if the application be made within six months, after the ascertainment of the true value of the estate and the discovery that too low a court-fee was at first paid on the probate or letters, and if the said Authority is satisfied that such fee was paid in consequence of a mistake or of its not being known at the time that some particular part of the estate belonging to the deceased, and without any intention of fraud or to delay the payment of the proper court-fee, the said Authority may remit the said penalty, and cause the probate or letters to be duly stamped on payment only of the sum wanting to make up the fee which should have been at first paid thereon.

Administrator to give proper security before letters stamped under section 29.

29. In case of letters of administration on which too low a court-fee has been paid at first, the said Authority shall not cause the same to be duly stamped in manner aforesaid until the administrator has given such security to the Court by which the letters of administration have been granted as ought by law to have been given on the granting thereof in case the full value of the estate of the deceased has been then ascertained.

Executors, etc., not paying full court-fee on probates, etc., within six months after discovery of under-payment.

30. Where too low a court-fee has been paid on any probate or letters of administration in consequence of any mistake, or of its not being known at the time that some particular part of the estate belonged to the deceased, if any executor or administrator acting under such probate or letters does not, within six months after the discovery of the mistake or of any effects not known at the time to have belonged to the deceased, apply to the said Authority and pay what is wanting to make up the court-fee which ought to have been paid at first on such probate or letters, he shall forfeit the sum of one thousand rupees and also a further sum at the rate of ten *per cent.* on the amount of the sum wanting to make up the proper court-fee.

Notice of applications for probate or letters of administration to be given to Revenue-authority and procedure thereon.

31. (1) Where an application for probate or letters of administration is made to any Court other than the High Court, the Court shall cause notice of the application to be given to the Collector.

(2) Where such an application as aforesaid is made to the High Court, the High Court shall cause notice of the application to be given to the Board of Revenue for the local area in which the High Court is situated.

(3) The Collector within the local limits of whose Revenue-jurisdiction the property of the deceased or any part thereof is, may at any time inspect or cause to be inspected, and take or cause to be taken copies of, the record of any case in which application for probate or letters of administration has been made; and if, on such inspection or otherwise, he is of opinion that the petitioner has under-estimated the value of the property of the deceased, the Collector may, if he thinks fit, require the attendance of the petitioner (either in person or by agent) and take evidence and inquire into the matter in such manner as he may think fit, and, if he is still of opinion that the value of the property has been under-estimated, may require the petitioner to amend the valuation.

(4) If the petitioner does not amend the valuation to the satisfaction of the Collector, the Collector may move the Court before which the application for probate or letters of administration was made, to hold an inquiry into the true value of the property:

The West Bengal Court-fees Bill, 1970.

(Chapter IV.—Probates, letters of administration and certificates of administration.—Clauses 32—34.)

Provided that no such motion shall be made after the expiration of six months from the date of the exhibition of the inventory required by section 317 of the Indian Succession Act, 1925. 39 of 1925.

(5) The Court, when so moved as aforesaid, shall hold, or cause to be held, an inquiry accordingly, and shall record a finding as to the true value, as near as may be, at which the property of the deceased should have been estimated. The Collector shall be deemed to be a party to the inquiry.

(6) For the purposes of any such inquiry, the Court or person authorized by the Court to hold the inquiry may examine the petitioner for probate or letters of administration on oath (whether in person or by commission), and may take such further evidence as may be produced to prove the true value of the property. The person authorized as aforesaid to hold the inquiry shall return to the Court the evidence taken by him and report the result of the inquiry, and such report and the evidence so taken shall be evidence in the proceeding, and the Court may record a finding in accordance with the report, unless it is satisfied that it is erroneous.

(7) The finding of the Court recorded under sub-section (5) shall be final, but shall not bar the entertainment and disposal by the Board of Revenue of any application under section 28.

(8) The State Government may make rules for the guidance of Collectors in the exercise of the powers conferred by sub-section (3).

Payment of court-fees in respect of probates and letters of administration.

32. (1) No order entitling the petitioner to the grant of probate or letters of administration shall be made upon an application for such grant until the petitioner has filed in the Court a valuation of the property in the form set forth in Schedule III, and the Court is satisfied that the fee mentioned in No. 10 of Schedule I has been paid on such valuation.

(2) The grant of probate or letters of administration shall not be delayed by reason of any motion made by the Collector under sub-section (4) of section 31.

Recovery of penalties, etc.

33. (1) Any excess fee found to be payable on an inquiry held under sub-section (6) of section 31, and any penalty or forfeiture under section 30, may, on the certificate of the Board of Revenue, be recovered from the executor or administrator as if it were an arrear of land-revenue by any Collector.

(2) The Board of Revenue may remit the whole or any part of any such penalty or forfeiture as aforesaid, or any part of any penalty under section 28 or of any court-fee under section 28 in excess of the full court-fee which ought to have been paid.

Section 42 not to apply to probates or letters of administration.

34. Nothing in section 42 shall apply to probates or letters of administration.

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Court-Fees Ordinance, 1969, which was promulgated by the Governor on the 10th December, 1969, was brought into operation on the 10th January, 1970. Till before coming into force of the Ordinance, no *ad valorem* court-fees were payable in the Original Side of the High Court, Calcutta, although such fees were leviable in the district and other courts. With a view to removing such discrimination with regard to payment of court-fees in the different courts of the State, it was considered desirable to introduce *ad valorem* court-fees in the Original Side of the High Court, Calcutta. In the meantime, the erstwhile pecuniary jurisdiction of the City Civil Court, Calcutta, was raised from Rs. 10,000 to Rs. 50,000 by the City Civil Court (Amendment) Act, 1969. As a result, the litigants in that court became subjected to the payment of *ad valorem* court-fees on suits valued up to Rs. 50,000, while their counterparts in the High Court remained exempted from payment of *ad valorem* court-fees even on suits of greater value. Such a situation warranted immediate legislative measure. But as the Legislature was then not in session and as the matter brooked no delay, the aforesaid Ordinance was promulgated introducing *ad valorem* court-fees in the High Court, Original Side, Calcutta.

Secondly, the provisions of the Court-Fees (West Bengal Amendment) Act, 1968 (President's Act 7 of 1968), by which the rates of court-fees previously payable in anna denomination had been decimalised, were incorporated in the abovenamed Ordinance.

Thirdly, the Ordinance repealed the Court-Fees Act, 1870, in its application to the State of West Bengal and in relation to the fees and stamps other than those relating to documents presented or to be presented before an officer serving under the Central Government.

The Bill aims at replacing the abovementioned Ordinance by an Act of the Legislature.

CALCUTTA:

FINANCIAL MEMORANDUM.

With the enactment of the proposed West Bengal Court-Fees Bill, 1970, *ad valorem* court-fees will be leviable on all suits instituted in the Original Side of the High Court, Calcutta. In fact, such fees became payable in the High Court with effect from the 10th January, 1970, the date on which the West Bengal Court-Fees Ordinance, 1969, came into force. As a result of the proposed introduction of the fees, the Government will not require to incur any expenditure worth the name. On the contrary, an appreciable amount will be realised on account of *ad valorem* court-fees. The exact amount of the anticipated receipt on this account cannot, however, be assessed at this stage. As regards expenditure, some one or two gazetted post(s) and some two or three clerical posts may have to be created in the Original Side of the High Court, Calcutta, for assessment of the amount of *ad valorem* court-fees payable by the parties concerned. Such expenditure will undoubtedly be very small.

Member-in-charge.

STATEMENT OF OBJECTS AND REASONS.

With a view to giving effect to the directive principle in article 50 of the Constitution of India to separate the Judiciary from the Executive in the public services of the State of West Bengal, the West Bengal Separation of Judicial and Executive Functions Act, 1968 (President's Act 8 of 1968), was enacted by the President. The salient provisions of the Act are as under—

(*i*) Magistrates are divided into two classes, Judicial and Executive, Judicial Magistrates being appointed by the State Government in consultation with the High Court. The functions of the Judicial Magistrates relate primarily to inquiry into, or cognizance, investigation or trial of an offence, while the functions exercisable by Executive Magistrates related primarily to matters which are administrative or executive in nature.

(*ii*) The functions of the two classes of Magistrates are separated mainly by amending the Code of Criminal Procedure, 1898, in its application to West Bengal.

(*iii*) The Presidency Magistrates in the Presidency-town of Calcutta have been classed as Judicial Magistrates, but they have also been allowed to retain certain functions given to them by the Code of Criminal Procedure, 1898, which more properly belong to Executive Magistrates. Provisions have also been made in the amended Code for appointment of Special Presidency Magistrates by the State Government to exercise the powers of the Presidency Magistrate which do not relate to judicial functions.

(*iv*) Functions relating to the prevention of offences have been allotted to the Executive Magistrates, with provisions made for appeals and revision against such orders passed by such Magistrates to the Sessions Judge or to the High Court, provided the order is passed in a proceeding under the Code of Criminal Procedure, 1898.

(*v*) Section 29 of the Code of Criminal Procedure, 1898, has been also so amended that Judicial Magistrates alone can try a case of any offence whether under the Indian Penal Code or under any other special or local law where the term "Magistrate" has been used without amending the laws passed or administered by the Union or the State Government.

(*vi*) Ultimate control of the Judicial Magistrates has been vested in the High Court, the immediate control and supervision of their working being left to the Sessions Judge.

2. Under the provisions of the said Act, the scheme of Separation of the Judiciary from the Executive has so far been implemented in the Presidency-town of Calcutta and in the Districts of Hooghly, Bankura, Purulia, Cooch Behar and Murshidabad.

3. By reason of article 357(2) of the Constitution of India, the President's Act has now to be replaced by an Act of the State Legislature before 24th February, 1970. Accordingly, the West Bengal Separation of Judicial and Executive Functions Bill, 1970, has been brought to re-enact the provisions of the President's Act with certain modifications, the principal of which are—

(*i*) The power to record statements and confessions under section 164, Code of Criminal Procedure, 1898, has been given exclusively to Judicial Magistrates, as it is felt that this power should be exercised by a Magistrate with some judicial experience and not connected with the police.

(*ii*) A new section 438A has been inserted to make clear the powers of the District Magistrate in regard to a proceeding called for by him from a Subordinate Executive Magistrate under section 435. The District Magistrate has been expressly given the power to report to the High Court in respect of orders made under sections 118, 122, 143, 144 and 145 of the Code of Criminal Procedure, and, in respect of other less important matters, to pass such orders as he thinks fit.

4. Other modifications are mainly of the nature of verbal changes or re-arrangement of the provisions for the purpose of clarity and consistency.

5. With the modifications, mentioned above, the present measure seeks to replace the West Bengal Separation of Judicial and Executive Functions Act, 1968 (President's Act 8 of 1968).

6. There is no financial commitment by the Bill as such but finances may be required to give effect to the scheme of separation for which necessary provisions will be made in the budget.

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 160-L.—2nd February 1970.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

BILL NO. 16 OF 1970

THE BENGAL STATE AID TO INDUSTRIES (AMENDMENT) BILL, 1970.

A BILL

to re-enact the provisions of the Bengal State Aid to Industries (Amendment) Act, 1968.

WHEREAS certain amendments were made to the Bengal State Aid to Industries Act, 1931 by the Bengal State Aid to Industries (Amendment) Act, 1968 enacted by the President of India during the period of operation of the Proclamation issued on the 20th day of February, 1968, by the President of India under article 356 of the Constitution of India in relation to the State of West Bengal; Ben. Act III of 1931. President's Act 31 of 1968.

AND WHEREAS it is expedient to re-enact the provisions of the said Bengal State Aid to Industries (Amendment) Act, 1968;

It is hereby enacted in the Twenty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. 1. This Act may be called the Bengal State Aid to Industries (Amendment) Act, 1970.

The Bengal State Aid to Industries (Amendment) Bill, 1970.

(Clauses 2, 3.)

Amendment of section 2 of Ben. Act III of 1931.

2. In the Bengal State Aid to Industries Act, 1931 (hereinafter referred to as the said Act), in section 2, clause (*3*) shall be omitted.

Amendment of section 3.

3. In sub-section (*1*) of section 3 of the said Act, for clause (*f*), the following clause shall be substituted, namely:—

"(*f*) one member, being an officer in the service of Government, to be appointed by the State Government;".

STATEMENT OF OBJECTS AND REASONS.

Under clause (f) of sub-section (1) of section 3 of the Bengal State Aid to Industries Act, 1931, the Director of Industries was an ex-officio member of the Board of Industries set up for carrying out the purposes of the Act. The Director of Cottage and Small Scale Industries was not a member of this Board under the provisions of the Act, as there was no such post previously and the Director of Industries used to look after the work. After the separation of the Directorate of Cottage and Small Scale Industries from that of Industries in this State it became extremely difficulty for the Director, Cottage and Small Scale Industries, to carry on the administrative functions in respect of the provisions of the Act without his being a member of the Board.

2. In order to have the Director, Cottage and Small Scale Industries as a member of the Board of Industries in place of the Director of Industries, it was necessary to amend the relevant section of the West Bengal State Aid to Industries Act, 1931, in a suitable manner. The Bengal State Aid to Industries (Amendment) Act, 1968, was therefore, enacted as a President's Act (President's Act 31 of 1968) on the 26th November, 1968 and clause (f) of sub-section (1) of section 3 was substituted by the following:—

"(f) One member, being an officer in the service of Government to be appointed by the State Government."

3. Under clause (2) of Article 357 of the Constitution of India, the said President's Act will cease to have effect from 25th February, 1970 unless the same is re-enacted with or without modification by an Act of the West Bengal Legislature on or before the 24th February, 1970.

4. The present Bill seeks to re-enact the provisions of the said President's Act 31 of 1968 as an Act of the State Legislature without any modification as it is felt necessary that the amendment should continue to be in force.

STATEMENT OF OBJECTS AND REASONS.

The R. G. Kar Medical College and Hospital, Calcutta, previously managed by the Medical Education Society of West Bengal, was taken over by the State Government under the provisions of the R. G. Kar Medical College and Hospital Act, 1958 (West Bengal Act VIII of 1958), in the public interest, for a period of ten years with effect from 12th May, 1958 for the better control, management and maintenance of the institution with a view to the promotion of public health. The tenure of the Act was due to expire on 11th May, 1968. In the public interest it was considered necessary to retain the institution under the control and management of the State Government for a further period of ten years with effect from the 12th May, 1968 and to make certain sections of the Act less restrictive so that the properties of the institution could be utilised for such improvements and any other purposes of the institution as might be approved by the State Government, and also to make the R. G. Kar Medical College and Hospital Committee function as an Advisory Committee as in the case of other State Government institution, to advise the State Government in matters relating to the management of the institution.

As the State was then under the President's rule, the R. G. Kar Medical College and Hospital (Amendment) Act, 1968, was enacted accordingly by the President which provided, inter alia, for retention of the control and management and running of the institution for a further period of ten years with effect from the 12th May, 1968.

2. Under Article 357(2) of the Constitution the President's Act 16 of 1968, will cease to have effect one year after the revocation of the Presidential Proclamation. As in the public interest it is necessary to retain the R. G. Kar Medical College and Hospital under the Government management and control for the full period of 10 years, it will be necessary to re-enact this Act by an Act of the West Bengal Legislature by the 24th February, 1970.

3. The proposed measure seeks to provide for re-enactment of the R. G. Kar Medical College and Hospital (Amendment) Act, 1968, with the above object in view and also to modify section 5A(2)(f) of the President's Act due to abolition of the West Bengal Legislative Council.

FINANCIAL MEMORANDUM.

The proposed enactment will not involve the State Government in any additional expenditure as the institution is already being run as a State Institution and the running expenses are being met from the State Revenue.

The dispute between Messrs. Birkmyre Bros. Pvt. Ltd., Konnagar, Hooghly and their workmen represented by Birkmyre Brothers Employees' Union, Surendra Bhaban, village Behara, Konnagar, Hooghly, has been referred to this Tribunal for adjudication by Order No. 6239-IR/IR/11L-195/69, dated 18th August 1969, of the Government of West Bengal, Labour Department, with the following issue :

(1) Whether the management is justified in stopping "Temporary Allowance" as introduced in their letter, dated 19th March 1965? To what relief, if any, are the workmen entitled?

Notices were issued to the parties who appeared. The Union filed their written statement on 4th November 1969. The company did not file written statement but the company and the Unon filed a joint petition of compromise today, i.e., on 6th January 1970.

I have gone through the terms of the compromise and I find that they are not opposed to any provisions of law or to morality or to public policy and are legal within the meaning of the Indian Contract Act. I therefore accept the terms of the agreement.

This case is, therefore, disposed of on compromise and the memorandum of settlement filed by the parties do form a part of the award.

AWARD

This is a reference under section 10 of the Industrial Disputes Act made by the Government of West Bengal, Labour Department, for adjudication of an industrial dispute relating to the undermentioned issue existing between Messrs. Indian Iron & Steel Co. Ltd., P.O. Burnpur, district Burdwan, and their workmen represented by (1) Asansol-Burnpur-Kulti Metal & Engineering Workers' Union, Puranhat, P.O. Burnpur, district Burdwan, and (2) United Iron & Steel Workers' Union, Bari Smriti Bhavan, Subhaspally, P. O. Burnpur, district Burdwan. Originally the dispute was referred to the Fifth Industrial Tribunal by order No. 6133-I.R./IR/10L-458/67, dated 24th November 1967. Subsequently by order No. 2699-I.R./IR/10L-458/67, dated 9th May 1968, the proceedings were withdrawn from the Fifth Industrial Tribunal and were sent to this Ninth Industrial Tribunal for adjudication.

Issue

Whether persons engaged in the Director's Bungalow should be considered as employees of the Company ? If so, whether existing facilities and benefits enjoyed by the employees of the Company should also be extended to the employees engaged in the Director's Bungalow ?

Notices of the reference were duly served on all the parties. Union No. 1 Asansol-Burnpur-Kulti Metal & Engineering Workers' Union filed its written statement on 6th February 1968 when the reference was pending before the Fifth Industrial Tribunal. After transfer of the reference to this Ninth Industrial Tribunal, fresh notice was issued to the parties and the Company filed its written statement in this Tribunal on 30th May 1968. The Union No. 2 United Iron and Steel Workers' Union did not file any statement and did not appear to contest the reference at the time of hearing; and only the Union No. 1 contested the case against the Company.

The case of the Union No. 1 in its pleading, inter alia, is that the Indian Iron & Steel Co. Ltd. maintains a Director's Bungalow in Burnpur and the persons employed there are direct employees of the Company and they are under direct supervision of the Town Superintedent's Department and their attendance are recorded in the Town Department and payment are also made from there. Though the persons are employees of the Company for all practical purposes, with regard to their wages and other facilities and benefits, they are treated as separate entities. The Union, therefore, requests the Tribunal to treat these persons as employees of the Company for all parctical purposes and to extend all existing facilities and benefits to them as enjoyed by other employees of the Company and to give effect to the proposed scales of pay as suggested by the Union.

The case of the Company in its written statement, in brief, is that the order of reference is ultra vires and illegal and the Tribunal has no jurisdiction to entertain the same. The business of the Company consists of manufacture and sale of iron and steel and their products and for the purpose of carrying on its business it owns and runs a steel-works at Burnpur as an industrial undertaking. The Company has several houses and Bungalows at Burnpur, for residential purposes of its Directors, Officers, Officer-Trainees, etc. Two of such Bungallows, known as Directors' Bungalow and New Directors Bungalow, are used for residential purposes of the Directors of the Company and their invited guests when they come to Burnpur for short visits. Some household staff like Cooks, Bearers, Sweepers, Dhobis, Malis, etc., are engaged in Directors' Bungalows. They look after the personal needs and comforts of the Directors and their guests. No members of the public are allowed to stay in these Bungalows and the staff working there do not render any material service to the public or community at large. The work done by the said staff is just like any other household or domestic servants in private employment in residential houses. The persons engaged in the Directors' Bungalows are not employed in and "industry" and hence they are not "workmen" under the Industrial Disputes Act. These persons are not on the pay roll of the Company. The Company's Standing Orders and other Rules and Regulations of Service were never applied to them. There is no fixed age of retirement, no fixed hours of duty, no fixed rules of attendance in respect of these persons engaged in the Directors' Bungalows. Their nature of work is intermittent; when the Directors or their guests come they have some work, otherwise most of the days they sit idle. These persons are paid their salaries by the Town Administrator out of fund made available to him for the general upkeep of the said Bungalows, through an ordinary register maintained by him and not through muster roll or pay roll sheets by the staff of Cash Section of the Accountants Department of the Company as in the cases of other regular employees of the Company.

The facts of the case are more or less admitted. The Company admittedly maintains a Directors' Bungalow with an annexe and these are meant for use by the Directors of the present Company and their guests. O.P.W. 1 Shri Sukumar Barat, the Town Engineer, states that there are about 16 employees working in this Bangalow and in the annexe. The employees include Cooks, Masalchies, Sweepers, Dhobis, Malis, etc., as said by P.W. 1 Shri Kali Kumar Barua, who is working as a Cook in this Bungalow.

The contention of the Company in this case is that the nature of services rendered by these employees are domestic, hence they should be treated as domestic servents of the Directors and not the employees of the Company. But admittedly the Directors do not pay the wages of these persons and it is the Indian Iron & Steel Co. Ltd., which gives them their wages. When the Company is paying their salary obviously there is the relationship of "master and servant" between the Company and these persons.

It is the case of the Company that these persons are not, in some respects, treated like other employees of the Company; as for example, there is no Standing Orders or Service Rules, no prescribed leave rules or procedure for taking disciplinary action, etc. for these persons. It is also said by O.P.W. 1 Shri Barat that the Bungalow staff are all along being treated separately and differently from the staff of the Company and the procedure of maintaining attendance and payment of salary in respect of the staff of the Directors' Bungalow is entirely different from the procedure in respect of the staff of the Company. But that is exactly why these persons have raised the present dispute. They want that they should be treated like other employees of the Company and all the facilities and benefits enjoyed by other employees of the Company should be extended to them.

The Company has produced some attendance registers and salary books (Exts. D series and E series) to show that the procedure of recording attendance and payment of salary to these persons is different from that in respect of other employees of the Company. But if under the law these persons be treated as employees of the Company then the mere fact that the Company is maintaining a different procedure in recording their attendance and paying salary to them from that in respect of other employees, will not alter the position and will not make them non-employees of the Company. It must be noted that admittedly the attendance of these persons is regularly maintained by the Town Administration Office. The Town Administration Office also makes

payment of their salary and no doubt the fund for this payment comes from the Company.

O.P.W. 1 Shri Barat has said in evidence that the Directors' Bungalow is maintained by the Town Engineering Department which looks after the building, structure, water supply, etc. Of course, he says that for the purpose of looking after the Directors' personal comfort, there is no supervision, but he admits that there is a clerk named Shri N. C. Ghose who does shopping for the preparation of food of the Directors and their guests when necessary. He also testifies that Shri N. C. Ghose prepares the attendance registers and salary registers of the staff engaged in the Directors' Bungalow and once in a day he goes to the Bungalow and records the attendance of the staff. Shri Barat says that he himself visits the Directors' Bungalow just as the visits other Bungalows. Shri Barat has said that the first meal of the Directors and their guests and also their accommodation in the Bungalow are arranged by the Town Administration Department and the menu for their meal is arranged by Shri N. C. Ghose and the Town Administration Office keeps the accounts of the same. He also states that no outsiders can stay in the Bungalow by paying charges. So it is entirely an affair of the Company.

The Company has pleaded in its written statement that in case there is no guest in the Bungalow these employees have to sit idle ; but the Town Engineer Mr. Barat has said in evidence that even then these persons have to do some work namely, Malis have to look after the garden, cooks look after the kitchen-utensils, bearers look after the furniture, bed, etc. and the sweepers have to sweep the floor of the rooms of the Bungalow.

The learned Advocate for the Company raised a technical objection that the Union did not place the demands before the employer and hence there is no industrial dispute in the instant case. But we get from the letters Exts. 8 and 10 that the employees of the Directors' Bungalow themselves wrote two letters to the Town Administrator on 5th May 1967 and 12th June 1967 placing their demands. Thereafter the Union took up the matter before the Assistant Labour Commissioner as appears from the letter Ext. 14. Hence I find that there is an industrial dispute in the instant case.

It was contended by the learned Advocate for the Company that works of the employees attached to Directors' Bungalow have no connection with the industry carried on by the present Company namely, manufacture of iron and steel and their products. But it is admitted that the Directors' Bungalow and the annexe are maintained for the residence of the Directors of the Company and their guests who come to Burnpur in connection with the industrial work of the Company. O.P.W. 1 Shri Barat says that the Directors have no other accommodation in Burnpur and this Bungalow is maintained for their stay during their visit in Burnpur area. In cross-examination Shri Barat admits that the Directors come and stay in the Directors' Bungalow in connection with the Companys' work. When the Directors come to Burnpur in connection with the industrial work of the Company and when they have to stay in the Directors' Bungalow during their visit to Burnpur as said by Mr. Barat, it is obvious that the existence of the Bungalow (with the staff employed by the Company there), is necessary for carrying out the entire business activities of the Company. Judging from this point of view I cannot agree with the contention of the learned Advocate for the Company that the works done by the staff of the Directors' Bungalow have no nexus with the general manufacturing business of the Company. No doubt the Bungalow staff have to look after the personal comfort of the Directors of the Company and their guests who stay in the Bungalow, but when the Directors come and stay in the Bungalow for the purpose of the business of the Company, the staff of the Bungalow by rendering personal services to the Directors also make some contribution towards the general business of the Company. Hence the argument advanced by the learned Advocate for the Company that the staff of the Bungalow are not connected with the industry and hence they are not "workman" within the meaning of the Industrial Disputes Act, and so the reference is not maintainable, cannot be upheld.

The learned Advocate for the Company referred to the case of Madras Gymkhana Club Employees' Union versus Gymkhana Club, 1967-II-L.L.J., 720. It was held in that case that Madras Gymkhana Club is a members' club and not an industry and the management of the club is not liable to pay bonus to the workmen. But in the instant case it is not a club but a Bungalow used by the Directors of the Company and hence the ruling of that case will not apply in the present case.

A decision of the Hon'ble High Court of Madras in the case of Rangaswami and another versus Registrar of Trade Union, 1961-I-L.L.J., 599 was also cited on the side of the Company. In that case it was held that persons employed in various capacities, such as household staff, Peons, Sweepers, Gardeners, etc., in the Raj Bhavan at Madras doing domestic and other services and for maintenance of the Governor's household and to attend to the needs of the Governor, the members of the family, State guests cannot be said to be employed in any trade or business. This case too has no bearing with the fact of the present case before us. Attending to Governor cannot be the same as attending to the Directors of the Company who come and stay in the Directors' Bungalow in connection with the industrial work carried on by the Company.

On the side of the Company a decision of the Patna High Court in the case of Vishnu Sugar Mills Ltd., versus State of Bihar, 1966-I-L.L.J., 777 was also cited. It was held in that case that a teacher employed in a primary school run by the factory is not a "workman". But in the instant case before us the position is different. Though a Company is carrying on an industry, a teacher employed in that school does not contribute anything towards the industrial work of the Company. But in respect of the staff of the Directors' Bungalow if they do not attend to the Directors who come and stay there in connection with the industrial work of the Company, the industry itself would suffer. In this respect the staff of the Bungalow are contributing to the material service rendered to the community at large

by the Company and hence the decision of the Punjab High Court in the case of Bar Association Canteen, Delhi versus Chief Commissioner, Delhi, reported in 1967-II-L.L.J., 226, as cited by the learned Advocate for the Company, goes to help the case of the Union.

Under clause (k) of section 2 of the Industrial Disputes Act "Industrial Dispute means any dispute or difference between employers and employers or between employers and workmen, or between workmen and workmen, which is connected with the employment or non-employment or the terms of employment or with the conditions of labour of any person". The learned Advocate for the Company referred to the decision of the Hon'ble Supreme Court of India as reported in 1958-I-L.L.J., 500 (Workmen of Dimakuchi Tea Estate versus Dimakuchi Tea Estate) where it has been held that the expression "any person" in section 2(k) means a person in whose employment or non-employment or terms of employment or conditions of labour the workmen as a class have a direct or substantial interest, with whom they have, under the scheme of the Act, a community of interest. I have already shown that as the staff of the Bungalow are rendering services to the Directors who come to Burnpur in connection with the Company's work, they have no doubt a "community of interest" with the other workmen employed in the Company. The learned Advocate for the Union referred to the decision of the Allahabad High Court in the case of Punjab Sugar Mills Company Ltd. versus State of Utter Pradesh reported in 1960-I-L.L.J., 756 where it has been observed that the expression "employed in the industry" as used in clause (s) of section 2 of the Industrial Disputes Act should be construed to mean employment "in reference to" any industry, business or trade and so it could not be contended that the concerned employees who were not working in the premises of the factory but were working at the residential quarters of some of the officers of the Company are not workmen employed in the industry carried on by the Company.

In the case of J. K. Cotton Spinning and Weaving Mills Company Ltd. versus Labour Appellate Tribunal of India reported in 1963-II-L.L.J., 436 it has been held by the Hon'ble Supreme Court:—

> "The expression employed in any industry in section 2(s) of the Industrial Disputes Act would take in employees who are employed in connexion with operations incidental to the main industry. It is of course not very easy to decide what is the field of employment included by the principle of incidental relationship and what would be the limitation of the said principle. An employee who is engaged in any work or operation which is incidentally connected with the main industry of the employer would be a workman provided the other requirements of section 2(s) are satisfied. In this connexion, it is hardly necessary to emphasize that in the modern world industrial operations have become complex and complicated and for the efficient and successful functioning of any industry several incidental operations are called in aid and it is the totality of all these operations that ultimately constitutes the industry as a whole. Wherever it is shown that the industry has employed an employee to assist one or the other operation incidental to the main industrial operation, it would be unreasonable to deny such an employee the status of a workman on the ground that his work is not directly concerned with the main work or operation of the industry."

On a consideration of the nature of work carried on by the staff of the Directors' Bungalow and the principles of law as discussed above. I find that these persons, who are employed by the Company and paid by the Company and who arrange for the food and stay of the Directors who come to Burnpur in connection with the work of the Company, must be considered to be employees of the Company.

The issue in the present reference consists of two parts. The first part asks the question whether the persons engaged in the Directors' Bungalow should be considered as employees of the Company; and I answer this in the affirmative.

In the second part the question is that in case these persons are employees of the Company whether the existing facilities and benefits enjoyed by the employees of the Company should also be extended to them. It should be remembered in this connection that these persons do not directly contribute to the manufacturing work of the Company like other workmen employed in the factory, though they indirectly contribute to the same as I have already shown. Hence they are not entitled to all the benefits and facilities as enjoyed by the workmen working in the factory of the Company. They will not be entitled to bonus on account of domestic nature of work performed by them as laid down by the Hon'ble Supreme Court of India in the case of Bhowra Colliery versus Its workmen reported in 1962-I-L.L.J., 378.

We find from the evidence that excepting Washermen or Dhobis other employees attached to the Bungalow like Cooks, Bearers, Masalchies, Sweepers and Malis are engaged whole time in the Bungalow. There is no such evidence that they have other source of income. But the Washermen or Dhobis wash clothes of other persons who are not residing in the Directors' Bungalow. So Washermen should be paid according to the pieces of cloth washed by them and they cannot get any fixed salary. Regarding other workers attached to the Bungalow they should have a fixed scale of pay with periodic increment. The Union has suggested a pay scale as demanded by the workmen and as given in Ext. 21. But in the issue this Tribunal has not been asked to fix any pay scale and so I cannot fix any pay scale in this reference. It is for the Company and the Unions to amicably settle a fair and reasonable pay scale for the different types of workmen attached to the Directors' Bungalow. In case any of these persons render part time service, he would not be entitled to dearness allowance, but the whole time employees should get dearness allowance with a view to neutralise the high cost of living prevailing in the present days. They are also entitled to benefit of leave;

and the period of leave to be granted to them should also be settled amicably by the Company and the Unions.

This is my award.

AWARD

By the Government of West Bengal, Labour Department, order No. 5750-I R./IR/11L-458/69, dated the 1st August 1969, an industrial dispute existing between Messrs. Daus & Co. (Iidia), 135 Biplabi Rash Behari Basu Road, Calcutta-1 and Shri Suresh Chandra Poddar, 87/6 S. K. Deb Road, Patipukur, Calcutta-48, on the one hand and their workman Shri Jiban Krishna Das, 13/1 Mahendra Chatterjee Lane, Calcutta-46, on the other, was referred to this Court under section 10 read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue :

Issue

Whether termination of service of Shri Jiban Krishna Das is justified ? To what relief, if any, is he entitled ?

Usual notices were issued to the parties fixing 22nd September 1969, for their appearance before the court. The workman was present on 22nd September 1969, but the Company was absent. The notice issued to the Company was received back unserved with the postal remark 'left'. The case was fixed on 14th October 1969 for filing of written statement by the workman and for further order. On 14th October 1969, however, the workman was found absent and the case was adjourned to 12th November 1969, for orders. Even on that day the workman was absent and the case was fixed on 29th Novemoer 1969, for orders. On 29h November 1969, the workman again was found absent. The case was then fixed on two more dates for enabling the workman to contest his proceeding, but on both the dates the workman was not found present and the case was ultimately fixed on 29th December 1969,

for order even on 29th December 1969, the parties were absent. In the circumstances, I am inclined to believe that the parties are no longer interested in proceeding with the case and that the dispute under reference has, in all probability, ceased to exist.

I, therefore, pass a no-dispute award in this case. This disposes of the instant reference.

AWARD

This is a complaint under section 33A of the Industrial Disputes Act, 1947, filed by (1) Shri Lalta Kahar and (2) Shri Ram Mahesh Gosai, in connection with G.O. No. 4156-I.R., dated 17th October 1966, against Messrs. Gladstone Lyall & Co. Ltd.

The complaint was originally filed before the Third Industrial Tribunal. When the case was ready for hearing in that Tribunal, the said Third Industrial Tribunal was pleased enough to transfer this case to this Court for disposal. Parties were informed from this Court about the transfer of the case, and the case was ultimately fixed on 19th January 1970, for hearing. On 17th December 1969, however, both the workmen concerned and the Company appeared before me and filed joint petitions of compromise in respect of both the workmen concerned separately. I have heard all the parties about the terms of settlement and I consider them to be lawful, fair, reasonable and just and I find no conceivable reason to disallow the said petitions. Accordingly, I accept the said petitions of compromise and pass an award in terms of the said petitions. The petitions of compromise shall form part of the award. This disposes of the instant complaint.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Bengal Ingot Company Ltd., 5 Hide Road, Calcutta-43, and their workmen represented by Kidderpore Engineering Sramik Union, 129A Circular Garden Reach Road, Kidderpore, Calcutta. (Case No. 719/67.)

By the Government of West Bengal, Labour Department, order No. 4724-I.R./IR/10L-28(A)/67, dated the 18th September 1967, this industrial dispute between Messrs. Bengal Ingot Company Ltd. and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication upon the issues mentioned below.

Issues

1. Introduction of gratuity scheme.
2. Whether the dismissal of Shri Indradeo Prasad is justified ? What relief, if any, is he entitled to ?

On receipt of notice both the parties made appearance and filed their respective written statement.

Regarding issue No. 2, the matter has been amicably settled between the parties. At present there is no dispute between the parties regarding issue No. 2. Thus, in this case the only point for determination is whether a gratuity scheme should be introduced in this Company.

According to the Union, the Company is capable of bearing the burden of gratuity scheme in addition to provident fund scheme, whereas the Company alleges that it is not financially sound enough to bear the burden of a gratuity scheme.

It is now an established principle of law that existence of a provident fund scheme does not operate as a bar to the introduction of double retiral benefits by way of gratuity. The point for determination is whether the Company is financially capable to bear this additional burden in the shape of a Gratuity Scheme. The Company has filed the balance sheets for the years up to 1968. The balance-sheets of the Company show that its profit went on increasing from 1959 and that the profit stood at the maximum in the year 1965. It also appears that since 1966 the profit is in the decrease. It appears that in 1968 the profit before taxation was Rs. 5 lakhs and 53 thousand, and after taxation it was Rs. 1 lakh and 24 thousand. The balance sheet of 1969 is not yet complete. The papers that have been produced by the Company show that the profit is on the decrease. But the fact remains that the Company is earning profit to the extent of more than one lakh of rupees after taxation. It also appears that the sales are on the increase. That being so, I am inclined to think that the Company is financially capable to bear the additional burden on the score of a gratuity scheme in addition to the scheme of provident fund. It is also clear that the Company is financially stable. It is still earning good profit and the sale position is very good. According to the Union, the Company will have to pay Rs. 23,600 per year to the workmen if the gratuity scheme is introduced. The Union has prepared a chart to show as to how they came to the calculation of this figure. Ext. 3 is the chart. The Company has not produced any chart to show how much the workmen will get in case the gratuity scheme is introduced. That being so the chart prepared by the Union should be accepted. It, however, appears that the scheme of the Union is a bit high. According to the Union the gross salary i.e., basic wages plus dearness allowance should be considered in assessing the quantum of gratuity. According to the Company only the basic wage should be taken into consideration in assessing the quantum of gratuity. It has been held in the case reported in 1966 L.L.J.I., p. 407 that in ordinary circumstances basic wages only should be considered in assessing the quantum of gratuity. In special circumstances only gross salary should be considered in assessing the quantum of gratuity. In this case the Unions have not shown why special consideration should be made in favour of the workmen in assessing the quantum of gratuity. In view of the fact that a provident fund scheme is in vogue, I am of the opinion that basic wages should only be considered in assessing the quantum of gratuity.

The Union claim that on the death of an employee while in service, one month's wages for each completed year of service should be given to the heirs of the deceased. I think that this should be given subject to the maximum of 15 months' wages.

The Unions' another claim is that an employee voluntarily retiring from service or resigning his service after ten completed years of service should be paid one month's wages for each completed year of service. I think that some provision should be made in favour of the Company in case an employee is dismissed for misconduct. If the termination of service is done for any misconduct which has caused financial loss to the employer, that financial loss should be first compensated from the amount of gratuity admissible to the workman concerned and the balance, if any, should be paid to the workman.

In view of the above findings, the Company is directed to introduce a gratuity scheme in the following lines:—

(1) On the death of an employee while in service or when he is physically or mentally incapacitated, irrespective of the length of service, he or his legal heir or representative, or his assignee should be paid one month's wages for each completed year of service, subect to the maximum of 15 months' wages or salary.

(2) An employee voluntary • retiring or resigning from service after 10 completed years of service or in case of termination of service or discharge or dismissal by the employer, after 10 completed years of service, he should be paid one month's wages for each completed year of service.

(3) On termination of service or discharge or dismissal by the employer after 5 completed years of service but less than 10 completed years of service, an employee should be paid 3/4th of his monthly wages or salary for each empleted years of service.

(4) If the termination of service is the result of misconduct on the part of an employee which has caused financial loss to the employer, that loss should first be compensated from the amount of gratuity payable to the said employee and the balance, if any, should be paid to him.

(5) It is made clear that "basic wages" or "salary" does not include dearness allowance or any other allowance.

For the purpose of the scheme, basic salary or wages shall mean salary or wages exclusive of dearness allowance, overtime payment, bonus and any other remuneration outside the fixed salary or wages during 12 months preceding the event entitling an employee to receive payment of gratuity.

For the purpose of this scheme "continuous service" shall mean the period from the date of appointment of an employee on permanent basis (whether monthly paid or weekly paid) up to the date of termination of service, with the Company. In case of an employee whose services were previously terminated and who has been re-engaged by the Company, continuous service in his case shall mean the period from the date of his re-engagement on permanent basis up to the date on which his services are terminated after such re-engagement.

This scheme shall apply to employees who were in the services of the Company on 1st April 1967. In no circumstances the scheme shall apply to ex-employees who left the service of the Company prior to 1st April 1967.

This is my award in respect of issue No. 1, viz., "Introduction of gratuity scheme".

Issue No. 2 which relates to dismissal of Shri Indradeo Prasad, is left out of consideration in this award as the parties had come to an amicable settlement of the dispute in this issue before the hearing of this reference commenced.

Fourth Industrial Tribunal.

This case arises out of a complaint under section 33A of the Industrial Disputes Act, 1947, filed by Shri K. N. Surendram, the applicant-workman, against the Bengal Rowing Club, employer, the opposite party. This complaint was filed before the Tribunal on 28th February 1968, and thereafter the opposite party-employer appeared and filed written statement.

After several adjournments at the instance of the parties the case was fixed for hearing on 21st June 1969. The case was ultimately fixed for hearing on 4th December 1969 on which day neither party appeared, and the case was placed for orders on 6th January 1970. On 6th January 1970 the applicant-workman appeared and filed a verified petition stating that he does not want to proceed with his application under section 33A of the Industrial Disputes Act, and that he wants to withdraw the said application. In the circumstances, I find that the dispute between the parties has now ceased to exist and I pass a 'no dispute' award in the present case.

AWARD

By the Government of West Bengal, Labour Department, order No. 5045-I.R./IR/11L-516/69, dated the 12th July 1969, an industrial dispute existing between Messrs. Bengal Stationery Stores, 10 Jackson Lane, Calcutta-1 and their workman Shri Ram Bilash Roy, 14 Ramananda Chatterjee Street, Calcutta-9, was referred to this Court under section 10 read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue:

Issue

"Is the termination of service of Shri Ram Bilash Roy by way of refusal of employment to him justified? To what relief, if any, is he entitled?"

Usual notices were issued to the parties fixing 26th August 1969 for their appearance before the Court. On 26th August 1969, the workman was absent but the Company, however, was present and filed a copy of the receipt which purports to have been signed and granted to the Company by the workman concerned to the effect that he had no further claim from the Company in respect of the said dispute. As the workman was not available on that day, I had not the opportunity to hear the workman concerned in the matter. A copy of the said notice, therefore, was sent to the workman concerned by post directing him to intimate the Court by 18th November 1969 whether he had already settled the dispute with the Company. On 18th September 1969, the workman did not appear before the Court and the Court suo-moto adjourned the matter till 29th December 1969 to enable the workman to appear before the Court to make his submission in respect of the aforesaid receipt. But even on 29th December 1969 the workman absented himself from appearing before the Court.

In the circumstances, I have no manner of doubt that the workman has settled the dispute with the Company and the dispute under reference is no longer

in existence. I, therefore, pass a "no-dispute" award in this case. The reference is thus disposed of.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

Present for the Company : Shri C. L. Ganguly, Advocate.

Present for the Union : Shri Nandadulal Srimani, Advocate.

By the Government of West Bengal, Labour Department, order No. 2332-I.R./IR/10L-73/69, dated the 8th April 1969, this industrial dispute between Messrs. Spinning Accessories Private Ltd. and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication upon the issues mentioned below.

Issues

1. Whether the refusal of employment to Shri Sheo Nayak Singh is justified ? What relief, if any, is he entitled to ?

2. Whether the termination of services of Shri Ratneswar Jha is justified ? What relief, if any, is he entitled to ?

On receipt of notice from the Tribunal both the parties made appearance and filed their respective written statement. The case was taken up for hearing on 28th October 1969. The Union examined five witnesses and the Company examined one witness. 8th January 1970 was fixed for further hearing. In the meantime, on 10th December 1969 the two concerned workmen in the reference, namely, (1) Shri Sheo Nayak Singh and (2) Shri Ratneswar Jha, appeared before the Tribunal and filed two separate petitions in which they stated that they had amicably settled the dispute with the Company and accepted payment of their dues in full and final settlement of their claims. Two receipts of payment granted by the workmen concerned have been filed by the petitioners together with their petitions of compromise. It is stated by the petitioners that they did not want to contest the case, and that there might be a 'no dispute' award passed by the Tribunal in respect of the present reference. Shri B. P. Suhasaria, O.P.W. 1, the Executive Officer of the Company, identified the petitioners.

I have perused the two separate petitions filed by the workers concerned in this reference. I have no reason not to accept their petitions. The present reference relates to the disputes concerning two workmen, namely, Ratneswar Jha and Sheo Nayak Singh, and when those two concerned workmen voluntarily compromised their disputes with the Company and expressed their unwillingness to contest the case, the Tribunal cannot have any reason not to accept their prayer. I accept their prayer and dispose of the reference by passing a 'no dispute' award in terms of the compromise.

AWARD

The Government of West Bengal, in its Labour Department, by order No. 2607-I.R./IR/8L-12/66, dated Calcutta, the 16th June 1967, referred an industrial dispute between Messrs. Govindapore Powerloom Co-operative Society Ltd., P. O. Kholapota, district 24-Parganas (hereinafter referred to as the 'Society' for the sake of brevity) and their workmen represented by Govindapore Powerloom Co-operative Society Ltd. Workers' Union, P. O Kholapota, district 24-Parganas (hereinafter referred to as the 'Union'). to this Seventh Industrial Tribunal for its adjudication on the following issue:

Issue

Whether stoppage of work with effect from 25th October 1966 to 9th November 1966, was justified ? What relief, if any, are the workmen entitled to ?

After the receipt of the Order of Reference, usual notices were issued. Parties entered their appearance and filed their respective written statement.

The case of the Union is that Messrs Govindapore Powerloom Co-operative Society Ltd. is a prosperous concern engaged in the manufacture of cotton dhuti and saree and employs more than 40 workmen.

The Company earns good profit every year. Wage level of the workmen is very low and the workmen are also denied other facilities like Provident Fund, adequate bonus, etc., as enjoyed by other industrial workers. The Union submitted a charter of demands to the Society on 6th October 1966, but there was no response on the part of the Society. Thereafter, the Union served a strike notice on 11th October 1966, stating that if the demands of the workers were not met by 24th October 1966, the workmen would resort to strike from 25th October 1966. The Society on 15th October 1966, refused to accept the Union's registered letter, dated 11th October 1966. A conciliation meeting was called by the Labour Officer, Barrackpore, on 18th October 1966, but the Society did not send any representative at the said meeting. Considering the gravity of the situation, Mr. Golam Rahaman, the Anchal Upapradhan, attempted to bring about a settlement of the dispute between the workmen and the Society, but all his attempts failed due to the adamant attitude of the dominant group in the management of the Society. Finding no other alternative, the workers resorted to strike from 25th October 1966, to realise their modest demands. At the intervention of the Assistant Labour Commissioner, Barrackpore, a settlement was arrived at on 9th November 1966, ending the strike and conceding the demand of bonus. According to the terms of the settlement, the issue of stay-in-strike period wages was to be taken up by conciliation, but the Society refused to pay the wages for the period of stay-in-strike in the conciliation meeting held for the purpose. The Union submits that the stay-in-strike was justified and the workers are entitled to the wages from 25th October 1966 to 9th November 1966.

The Society, in its written statement, denied the allegations of the Union. The contention of the Society is that the charter of demands was never received and no notice regarding the strike was received by the Society. The Society also did not receive any notice from the Labour Officer, Barrackpore. There was no talk of settlement at the instance of Mr. Golam Rahaman and the strike was illegal, unwarranted and without justification and the workers are not entitled to wages for the period of stay-in-strike.

Four witnesses were examined on behalf of the Union; they are P. W. 1 Shri Bhabendra Nath Mandal, a member of the Workers' Union, P. W. 2 Shri Subodh Kumar Sarkar, Secretary of the Union, P.W. 3 Shri Satish Chandra Saila, the postman attached to Kholapota Post Office and P.W. 4 Shri Golam Rahaman, Upapradhan of Kolapota Anchal Panchayet. The Society examined three witnesses; they are O. P. W. 1 Shri Md. Golam Kuddis, Secretary of the Co-operative Society, O. P. W. 2 Shri Golam Murtazah, weaver of the factory of the Society, and O. P. W. 3 Shri Gopinath Ghosh who was Manager of the factory of the Society till 1967. The Society, however, did not appear at the time of the arguments, though sufficient opportunity was given to the Society for the purpose. In his evidence P. W. 2 Shri Subodh Kumar Sarkar, Secretary of the Union, has stated that he submitted a charter of demands to the Manager on 6th October 1966 P. W. 2 has further stated that he received a letter from the Labour Commissioner and there was joint

conference fixed for 18th October 1966 and he attended the conference, but none attended on behalf of the Society. P.W. 4 Shri Golam Rahaman is a member of the Govindapore Powerloom Co-operative Society and he is Upapradhan of Kholapota Anchal Panchayet. His evidence is that he tried to settle a dispute between Govindapore Powerloom Co-operative Society Ltd. Workers' Union and the employers-Society. P.W 4 stated that the Union Secretary submitted a petition to him for forwarding the same to the Manager of the Co-operative Society. The petition contained terms of settlement acceptable to the Union. P.W. 4 further states that the Manager was unwilling to accept those terms. P.W. 4 sent a letter (Ext. 2), dated 20th October 1966, in which it is stated that the Manager did not agree to accept the terms of settlement. O.P.W. 2 Shri Gopinath Ghosh was the Manager till 1967. He does not remember if he received any registered letter from the Union. O.P.W. 2 has no knowledge about the correspondence between the Society and the Union.

It appears from the evidence on record, that there were disputes between the workmen and the Society regarding the bonus in 1966 and also on other points. The evidence of P.W. 2 shows that a charter of demands was submitted to the Manager. P.W. 3 Shri Satish Chandra Saila, the postman states that he carried a letter to Govindapore Powerloom Co-operative Society which was addressed to the Manager. He met the Manager and informed him that there was a registered letter, but the Manager refused to accept the same and he returned the letter to the post office. The letter has been marked Ext. 1. It appears that a joint conference was called by the Labour Officer, Barrackpore, on 18th October 1966 at 2 p.m. by the letter Ext. 4. The evidence shows that P.W. 2 attended the conference, but none attended on behalf of the Society. The evidence further shows that in 1966 the Society granted 5 per cent. bonus, but the same was not accepted by many of the workmen and they demanded more. There was thus dispute on the issue of bonus and charter of demands. The dispute could not be settled at the instance of P.W. 4, the Upapradhan. The joint conference at the instance of the Labour Officer, Barrackpore, also failed. Thereafter, workmen went on strike from 25th October 1966. The evidence shows that on 9th November 1966 a settlement was arrived at between the Union and the Society. Ext. 3 is the said memorandum of settlement. By the said settlement, it was agreed that the warken will withdraw the stay-in-strike forthwith and there will be normal resumption of work with effect from 10th November 1966. The management agreed to pay 7 per cent. earnings as bonus in full and final settlement of the said issue. The Management also agreed to do their best to remove the difficulties of the workmen in the matter of raising the efficiency of production within a week and it was agreed by the parties that the issue of wages for the period of stoppage of work due to stay-in-strike would be taken up in conciliation later.

It has been argued by the representative of the Union that the Society took up an unreasonable attitude and did not concede to the reasonable demands of the workmen in regard to bonus and other charter of demands made on behalf of the workmen. It has been further argued that the Union tried its best to settle the dispute amicably. It has been argued that the Manager did not receive the registered letter and the conciliation efforts of the Upapradhan failed as the Manager was unwilling to accept the terms. It has been further argued on behalf of the Union that the joint conference called at the instance of the Labour Officer on 18th October 1966 also failed, as none attended on behalf of the Society. It has been further argued that the workmen tried their best to settle the dispute amicably, but due to the adamant attitude of the Society, all their efforts failed and they had to resort to strike for the fulfilment of their demands. After the strike, there was a joint conference on 9th November 1966 and there was a settlement on some points as embodied in Ext. 3. It has been argued that the strike was justified and the workmen are entitled to wages for the said period. It has been argued by the representative of the Union that the contention of the Society that due to the strike the cloth remaining in the loom was demaged, is not believable. Had it been so, they would have made such contention in their written statement and also before the Assistant Labour Commissioner when the settlement was effected. No such complaint was made. In his evidence, O.P.W. 1 Shri Md. Golam Kuddis has stated about the said damage, but there is no reliable evidence in support of the same.

On a consideration of the materials on records, it appears that the Union made several attempts for peaceful settlement of the disputes regarding bonus and other charter of demands, but the same, however, failed as there was no response on the part of the Society. Workers resorted to strike from 25th October 1966 to 9th November 1966 and the strike was called off as a result of the settlement arrived at on 9th November 1966. In the circumstances of the case, the stoppage of work with effect from 25th October 1966 to 9th November 1966 was justified and the workmen are entitled to wages for the said period. The Society is directed to pay the said wages for the period of stoppage of work with effect from 25th October 1966 to 9th November 1966 within a month of the publication of the award in the official gazette.

This is my award.

The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons and the Financial Memorandum which accompany it, in the *Calcutta Gazette*, the Bill, the Statement of Objects and Reasons and the Financial Memorandum are accordingly hereby published for general information:—

Bill No. 21 of 1970

THE BENGAL VAGRANCY (AMENDMENT) BILL, 1970.

A

BILL

to re-enact, with modification, the provisions of the Bengal Vagrancy (Amendment) Act, 1968.

WHEREAS certain amendments were made to the Bengal Vagrancy Act, 1943 by the Bengal Vagrancy (Amendment) Act, 1968 enacted by the President of India during the period of operation of the Proclamation issued by the President of India on the 20th day of February, 1968, under article 356 of the Constitution of India in relation to the State of West Bengal; Ben. Act VII of 1943. President's Act 23 of 1968.

AND WHEREAS it is expedient to re-enact, with modification, the provisions of the said Bengal Vagrancy (Amendment) Act, 1968;

It is hereby enacted in the Twenty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the Bengal Vagrancy (Amendment) Act, 1970.

Amendment of section 2 of Ben. Act VII of 1943. **2.** After clause (*l*) of section 2 of the Bengal Vagrancy Act, 1943 (hereinafter referred to as the said Act), the following clause shall be inserted, namely:—

'(*la*) "Board of Visitors" means a Board of Visitors established under sub-section (*1*) of section 13A;'.

Insertion of new section 13A. **3.** After section 13 of the said Act, the following section shall be inserted, namely:—

"Board of Visitors. 13A. (*1*) For every receiving centre and every vagrants' home, the State Government shall establish a Board of Visitors constituted in such manner and consisting of such number of members as may be prescribed.

The Bengal Vagrancy (Amendment) Bill, 1970.

(*Clause 4.*)

(*2*) A Board of Visitors may visit the receiving centre or the vagrants' home for which it is established and record its comments on any matter it may think fit pertaining to the working of the receiving centre or the vagrants' home for the consideration of the officer-in-charge of the receiving centre or the Manager of the vagrants' home and for this purpose, any member of the Board of Visitors shall have the right to visit such receiving centre or vagrants' home at any time between the hours of sunrise and sunset.

(*3*) Copies of comments recorded by a Board of Visitors under sub-section (*2*) shall, as soon as may be after they are recorded, be forwarded by the officer--in-charge of the receiving centre or the Manager of the vagrants' home, as the case may be, to the Board.".

Amendment of section 28.

4. After clause (*h*) of sub-section (*2*) of section 28 of the said Act, the following clause shall be inserted, namely:—

"(*hh*) the manner in which a Board of Visitors may be constituted under sub-section (*1*) of section 13A and the number of members which a Board of Visitors may consist of;".

STATEMENT OF OBJECTS AND REASONS.

Section 3 of the Bengal Vagrancy Act, 1943 (Bengal Act VII of 1943), provides for appointment of the Vagrancy Advisory Board. In pursuance of the said provision, a Vagrancy Advisory Board has already been established by the State Government consisting of 11 officials and 6 non-officials as its members. Although it is provided in sub-section (3) of section 3 of the Act that any member of the Board may enter and inspect at any time any receiving centre or vagrants' home, yet, the receiving centre and vagrants' homes are so widely dispersed that it was hardly possible for the Vagrancy Advisory Board to look into the details of each receiving centre or vagrants' home thoroughly. In course of administration of the receiving centres or vagrants' homes it was felt by the State Government that if a Board of Visitors could be attached with each receiving centre or vagrants' home the efficiency in regard to its day-to-day management could be much improved. With this end in view a Bill was drafted for amendment of sections 2 and 28 of the Bengal Vagrancy Act, 1943 and insertion of a new section 13A for inclusion of a provision permitting appointment of a Board of Visitors for every centre or home.

In view, however, of the Proclamation of the President's Rule in the State the Bill was enacted as President's Act 23 of 1968. The President's Act is now proposed to be re-enacted by the State Legislature with some modifications before the expiry of the Act on 24th February, 1970.

The proposed measure seeks to achieve formation of a Board of Visitors for every receiving centre or vagrants' home or for a group of receiving centres and/or vagrants' homes, the grouping being made in a rational manner keeping in view the peculiar problems of such centres or homes.

CALCUTTA,
The 4th February, 1970.

KANAI BHOWMIK,
Member-in-charge.

FINANCIAL MEMORANDUM.

The proposed amendment will not involve Government in any substantial expenditure inasmuch as the Board of Visitors will be generally composed of persons residing in or about the districts where its vagrants' homes or receiving centres are located. Only a small expenditure may have to be incurred in paying travelling allowances to some of the members, if so required, the charge being met from the Vagrancy Budget.

CALCUTTA,
The 4th February, 1970.

Member-in-charge.

LABOUR DEPARTMENT

ORDER

No. 1189-I.R./IR/11L-180/69.—6th February 1970.

Whereas under the Government of West Bengal, Labour Department Order No. 2733-I.R./IR/11L-180/69, dated the 22nd April 1969, the industrial dispute between Messrs. Bharati Chemical Works, 67/42 Strand Road, Calcutta-6, and their workmen as represented by Employees' Association, 26/8 Dum Dum Road, Calcutta-2, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Third Industrial Tribunal;

And whereas the said Third Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Bharati Chemical Works, 67/42 Strand Road, Calcutta-6, and their workmen as represented by Employees' Association, 26/8 Dum Dum Road, Calcutta-2. (Case No. VIII—141/69.)

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri NIRANJAN SARKAR, M.A., B.L., Judge, Third Industrial Tribunal.

For Employees' Association: Shri Gour Mohan Ghorai, Secretary.

For the Company: Shri Tapan Kumar Sadhukhan, Factory Manager and Partner.

AWARD

By Order No. 2733-I.R./IR/11L-180/69, dated the 22nd April 1969, the Government of West Bengal, Labour Department, referred an industrial dispute existing between Messrs. Bharati Chemical Works, 67 42 Strand Road, Calcutta-6, and their workmen as represented by Employees' Association, 26/8 Dum Dum Road, Calcutta-2, to this tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue :—

Issue

Whether termination of employment of Sarbashri Nirmal Bikash Chakraborty and Nimai Chand Paul is justified? To what relief, if any, are the workmen entitled?

On receipt of the notices issued by this Tribunal, the Company and the Association entered appearance in the case on 26th May 1969. Thereafter on 3rd July 1969 the Association filed its written statement and 24th July 1969 was fixed for filing of written statement by the Company. But the Company did not file its written statement on that date and took several adjournments for that purpose. The Company was allowed time till 8th January 1970 as a last chance for filing written statement and on that date the Company and the Association filed a joint petition of compromise stating that the dispute between the parties has been amicably settled on certain terms as incorporated in that petition and praying for passing an award accordingly making the compromise petition a part thereof. I have persued the aforesaid compromise petition. It is signed by Shri Tapan Kumar Sadhukhan, the Factory Manager and Partner of the Company, and by Shri Gour Mohan Ghorai, the Secretary of the Association. The terms of settlement are all legal, fair and reasonable and are hence

accepted by me. The case is, therefore, disposed of in terms of the petition of compromise which be made a part of the award.

This is my award.

Dictated and corrected
by me,
N. SARKAR,
Judge.

N. SARKAR, Judge,

And

And

In the matter of Government of West Bengal, Labour Department Order of reference No. 2735-I.R./IR/11L-180/69, dated April 22, 1969.

The Humble joint petition of compromise of the parties concerned most respectfully sheweth:—

(1) That the above case is fixed for filing written statement on behalf of Messrs. Bharati Chemical Works, 67/42 Strand Road, Calcutta-6, on January 8, 1970.

(b) That the employer will pay Rs. 2,000 to Shri Nimai Chand Pal, in full and final settlement as retrenchment compensation.

(c) That the employer (Messrs. Bharati Chemical Works) has today paid a sum of Rs. 1,000 to each of the workmen concerned—Shri Nirmal Bikash Chakravarty and Shri Nemai Chand Pal towards the initial part-payment.

(d) That the remaining balance of Rs. 3,000 to Shri Nirmal Bikash Chakrabarty will be paid in six monthly instalments of Rs. 500 each.

(3) That the concerned workmen will have no further claim whatsoever, legal and/or otherwise, from the Company (Messrs. Bharati Chemical Works) in future.

In the above circumstances your petitioners pray for passing a "No-dispute" award in this case in terms of the said settlement or pass such other order/orders as your Honour may deem fit. The dearness allowance shall be adjusted quarterly and paid on and from 1st September, 1st December, 1st March and 1st June of each year on the basis of the average consumer price index for working class of the quarters ended June, September, December and March respectively.

The dearness allowance payable to the workmen employed in "A" and "B" factories relative to the index figure 168 is also separately shown in Annexures "A" and "B" respectively.

4. **Placement in the revised scales of pay :** Subject to the scheme of phasing in Group "A" and Group "B" as per clause 8, workmen of both the groups shall be placed at the initial consolidated wage point of their corresponding category and thereafter shall be given one increment for every three completed years of continuous service in the company subject to a maximum of three increments. Thenceforward they will be entitled to one annual increment within the scale in July each year. Workmen at certain specified wage point within certain specified categories in Group B factories shall at the time of initial placement under this agreement be entitled to receive weightage as laid down in Annexure "D". After granting such increment and weightage wherever applicable, if a workman cannot be placed at a suitable pay point in the new scale he shall be placed in the next higher stage in the scale.

5. **Categorisation :** The existing categories of workmen in each unit will continue to be followed. This is without prejudice to the rights and contentions regarding categorisation.

6. **Daily and Hourly rate :** For workmen whose wages are payable at present on a daily or hourly rate, their monthly wages shall be divided by 26 or 208 to arrive at the daily or hourly rate respectively.

7. **Interim Relief :** After the placement in the revised scale of pay, the interim relief granted by the Seventh Industrial Tribunal in 1964 and also by the Engineering Wage Board in 1966 will not be payable with effect from the date of implementation of this agreement. Any other ad hoc increase in wages|dearness allowance given pending this settlement will be subject to adjustment.

8. **Phasing :** In respect of factories in Group "A" and those in Group "B" as per lists to be submitted and verified where the wage being paid currently is less than the wage payable under this agreement, those shall be raised to the wage payable in 3 annual instalments subject to the conditions that the increase in the first year shall be Rs. 30 inclusive of placement increments for Group "A" factories and Rs. 30 or 1|3rd of the difference inclusive of placement increments whichever is higher for specified Group "B" factories provided that the balance shall be paid in two equal annual instalments and provided further that where the gap at the initial placement is less than Rs. 30 it will be made up in one instalment.

9. **Bonus Payable in 1969 :** An ad hoc settlement amount equivalent to the rates given below will be paid in 1969 in addition to the quantum of bonus under the Bonus Act :

This is, however, subject to a maximum of 20 per cent.

(a) 13 days' wages to daily|hourly rated workmen pro rata to attendance during the previous financial year.

(b) 15 days' wages to monthly rated workmen pro rata to attendance during the previous financial year.

This agreement will not, however, prejudice such cases where bonus of a higher quantum which is more than what is envisaged under the agreement has been offered.

10. **Opting out:** If the total of the existing emoluments consisting of basic, dearness allowance and interim relief of workmen as a whole in any factory is deemed to be more favourable than the total of emoluments (basic and dearness allowance) specified in this agreement, the workmen through their union shall have the option of choosing notwithstanding any existing agreement, or otherwise to remain under the existing wage and dearness allowance scheme. In such an event, the terms of this agreement shall not apply to the workmen of such factories. The workmen of the factories covered by this agreement shall have to exercise this option within a period of 6 months from the date of this agreement. Provided, however, if any particular category or categories of workmen are already enjoying better terms and conditions of service than what is being envisaged under this agreement, their cases will not be adversely affected. The method and procedure to be adopted for such determinations shall be decided by the parties at plant level. In the event of a dispute in this regard, the issue will be settled by the Labour Directorate.

11. **General Clauses :** (i) The existing pension|incentive|production bonus| gratuity or any other payment of like nature, if any, which is linked with basic wages shall not adversely affect any workmen nor shall these cast any additional financial burden on the Company because of increased wages by this agreement.

(ii) The existing piece rates (based on job rates) shall be suitably adjusted keeping in view the average wage increase of the time rated workmen of the corresponding category. Pending suitable adjustment of the existing piece rates these categories of workmen shall be given with effect from the date of implementation of the agreement, an ad hoc "increment" commensurate with wages in case of time rated workers of similar category.

(iii) The arrear of wages and dearness allowance for July and August 1969 payable in terms hereof shall be disbursed in December 1969.

(iv) Both the parties hereby solemnly pledge that during the period of this agreement there shall be industrial peace in the Engineering Factories in West Bengal. The difference, if any, arising out of the terms and conditions of employment shall be resolved at the unit level through bipartite negotiation failing which the parties shall have recourse to constitutional means for a settlement.

(v) The parties also recognise the necessity of making the engineering units in the State viable and growth oriented and to achieve this end, the parties assure that every endeavour will be made to improve productivity for mutual benefit.

(vi) Decision, if any, of the Government of India on the recommendation of the Central Wage Board for the Engineering Industry shall not apply to the engineering factories in the State of West Bengal.

(vii) All outstanding disputes relating to wages and|or dearness allowance are hereby finally settled.

(viii) In case of option for the wage structure under this agreement, all pending proceedings relating to wage and|or dearness allowance before any conciliation officer, Court, Tribunal or Arbitrator will be withdrawn and settled by the parties in terms hereof within a period of 60 days from the date the terms hereof are adopted and there shall be no claim for back wages.

12. **Duration :** The terms of this agreement shall be operative from 1st July 1969 to 31st December 1972. The terms will, thereafter, continue to remain binding on the parties until these are terminated in writing by either side by serving two months' notice.

13. In case of any dispute or anomaly in the matter of implementation of this agreement, the issues will be discussed at the plant level and in case of no settlement, the issues will be referred to the Labour Directorate for decision.

Short recital of the case:

The recommendation of the Second Wage Board for Cotton Industry was accepted by the Government of India by their resolution, dated the 17th May 1969. Thereafter on behalf of the Cotton Mill workers of West Bengal, the Unions submitted a Charter of Demands directly before the Millowners' Association and the respective mills in June 1969, alleging that as the Second Wage Board has not fulfilled the minimum demands of the Cotton Mill workers, they pressed for settlement of the Charter of Demands including revision of wages, interim relief, gratuity, etc. The Unions also informed that a token strike would be resorted by the workmen on 8th August 1969 which actually took place and subsequently as the demands remained unresolved in spite of efforts at conciliation, the workmen of the industry resorted to a general strike from 1st September 1969 affecting about 31 mills. After the strike, bipartite and tripartite discussions were held under the presidentship of the Minister-in-charge for Labour, West Bengal, and through protracted efforts the following settlement was reached on 8th October 1969.

Terms of Settlement

(1) It is agreed that the question of revision of wage structure and other allied issues in the industry will be referred to a Tripartite Committee with an independent Chairman which will be constituted by the State Government The independent Chairman will be a retired or a sitting High Court Judge. The terms of reference of this Committee will be finalised by the Government after consulting both the parties. This Committee will be requested to give its decision within a year.

(2) **Interim increase.**—It is agreed that pending revision of the wage structure an interim increase of Rs. 20 per month on wages of the workmen will be paid to all categories of workmen with effect from 1st October 1969.

(3) **Bonus payable in 1969.**—(a) It is agreed that mills which had paid bonus last year at the rate of 4 per cent. or 5 per cent. of annual wage/salary will pay as bonus in 1969 4 per cent. of wage/salary for the relevant accounting year. In addition to this all employees covered under the Payment of Bonus Act and who have completed a minimum of 240 days' work in the relevant year, will be paid an additional amount of Rs. 20. The workmen putting in less number of days' work will be paid on pro rata basis.

(b) It is agreed that mills which had paid last year more than 4 per cent. or 5 per cent. of annual wage/salary in whatever form, i.e., ex-gratia payment, advance payment, etc., will pay bonus in 1969 at the same rate and form as in last year, provided, however, that the total amount of bonus payable to a workman in 1969 shall not be less than what is envisaged under Clause 3(a) above.

(c) It is agreed that the mills which are being managed by Administrator/ Receiver appointed by the High Court, will pay as bonus in 1969 4 per cent. of annual wage/salary for the accounting year in question together with an additional amount of Rs. 20 in terms of Clause 3(a) above.

(d) It is agreed that Messrs. Kesoram Industries and Cotton Mills Ltd. which had paid 17½ per cent. of annual wage/salary last year, will pay at the same rate for the accounting year 1968-69. This payment, however, will be made in three instalments. The first instalment of 10 per cent. will be paid before the ensuing Puja holidays and the next instalment of 5 per cent. will be paid two months thereafter and the last instalment of 2½ per cent. will be paid two months after the second instalment.

(e) It is agreed that the three Mills, namely:—

(1) Luxmi Narayan Cotton Mills Ltd.,

(2) Bangodaya Cotton Mills Ltd.,

(3) Bengal Textile Mills Ltd.,

which are under liquidation and managed by Administrator or Receiver will pay bonus in three equal instalments.

(f) It is agreed that other mills will pay bonous at a time as per this Agreement before the ensuing Pujas.

(4) **Dearness Allowance.**—It is agreed that the existing amount of Dearness Allowance which is being paid to the workmen shall remain unchanged irrespective of rise and fall in the cost of consumer price index for a period of one year from 1st October 1969 during which the proposed Tripartite Committee would give its findings.

(5) **Date of implementation.**—It is agreed that the terms of settlement will be given effect to from 1st October 1969.

(6) It is agreed that the workmen will call off their strike and normal work will resume from 10th October 1969. Essential services may, however, start from 9th October 1969.

(7) It is agreed that workmen who might have left the locality will be allowed eleven days' time for resumption of work from the date of re-opening of the mills.

(8) It is agreed that the period of strike will be treated as leave without pay and continuity of service maintained. It is further agreed that entitlement to annual leave with wages will not be adversely affected for absence during the period of strike.

Short recital of the case:

The Co-ordination Committee of the Tea Plantation Workers, West Bengal, on behalf of the Unions submitted a charter of demands, dated 27th July 1969, and the workers of tea gardens went on continuous strike with effect from 18th August 1969. After several joint and separate conferences at the intervention of the Labour Minister, West Bengal, a settlement has been arrived at on the following terms:—

Issue No. 1.—(a) The employers agree, without prejudice to either parties' contention on the issue, to fill up all the permanent vacancies of workmen which have occurred since 1st January 1969 if not already filled and to maintain their permanent roll strength as it would be after the implementation of clause 1(b).

(b) The employers further agree to employ additional hands on the following basis:—

(1) Estates below 250 acres—20.

(2) Estates from 251—500 acres—25.

(3) Estates from 501—1,000 acres—30.

(4) Over 1,000 acres—35.

(c) Any difficulty in implementing this clause in regard to any individual garden may be mutually discussed and settled.

(d) This is without prejudice to any existing agreement between the parties and the usual practice of mutual negotiation for selecting workmen for employment in individual garden.

(e) The issue of land-labour ratio is thus settled and is treated as closed.

Issue No. 2.—The resident temporary workmen will be supplied ration at concessional rates or given cash compensation in lieu thereof at their option with effect from the date of the agreement. The entitlement for the same will be the single current scale of ration issued by the industry. The temporary workers residing outside the estates, i.e., non-resident therein, will however be given cash compensation only in lieu of supply of ration on the same basis of entitlement. The cash compensation should be at the rate representing the difference between the concessional issue and the sale price in the nearest M.R. Shop at the current scale of issue by the industry.

AWARD

By the Government of West Bengal, Labour Department, order No. 3007-I.R./IR/11L-221/69, dated the 6th May 1969, an industrial dispute existing between Messrs. Arora Trading Corporation, 10/1 Princep Street, Calcutta-13, and their workman Shri M. A. Nair, P-72 Russa Road, South, Calcutta-32, was referred to this Court under section 10, read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue :

Issue

Whether termination of employment of Shri M. A. Nair from 1st May 1968 is justified ? To what relief, if any, is he entitled ?

On receipt of the reference usual notices were issued to the parties for appearance. Both the parties appeared on 23rd June 1969. The workman filed its written statement in triplicate on 14th July 1969 and a copy of this written statement was made over to the Company on 25th July 1969 fixing 9th August 1969 for filing written statement by the Company. On 9th August 1969 the Company was found absent. Also on a few subsequent dates fixed in this case the Company was found absent and ultimately, 13th November 1969 was fixed for ex parte hearing. On 29th November 1969 also the Company was found absent. But on this date the workman prayed for time. His prayer was allowed and 29th November 1969 was fixed for ex parte hearing. On 29th November 1969 on which date also the Company was found absent, the workman

examined himself as P.W. 1 and also exhibited his documents. In this way, this case has been heard ex parte in the absence of the Company though adequate time and opportunity were duly given to the Company to file their written statement, and the order was reserved. At this late stage when the matter had already been heard ex parte and only the order was reserved, the Company on 3rd December 1969 appeared and filed a petition praying for allowing further time to the Company to file their statement. A copy of this petition of the Company was handed over to the workman who seriously opposed this petition of the Company. Accordingly, 18th December 1969 was fixed for hearing of this belated petition of the Company but even on 18th December 1969 the Company did not turn up. Consequently, the said petition of the Company filed on 3rd December 1969 had to be rejected. In the circumstances, this case is to be decided on the basis of the ex parte evidences adduced by the workman.

The case of the workman Shri M. A. Nair in brief is as follows :—

The workman Shri M. A. Nair had been serving the Company Messrs. Arora Trading Corporation as a Stenographer on a monthly salary of Rs. 325 with effect from 7th October 1967. During the period from 8th April 1968 to 8th May 1968 the workman was on previlege leave duly granted to him and during this period he had been to his native village in Kerala for his own marriage. The workman with his wife returned to Calcutta on 7th May 1968 and resumed his duties on 8th May 1968. As the workman was in financial difficulties on arrival in Calcutta with his wife he requested Mr. P. P. Singh, the senior partner of the firm, to grant him salary for May 1968 in advance and accordingly a sum of Rs. 340 was paid to him by the firm on 8th May 1969. But, to his great surprise, the workman in the evening of 8th May 1968 received a letter from the firm stating that his services were no longer required and that his services were to be considered as terminated with effect from 1st May 1968. The firm in this way most arbitrarily and illegally and also abruptly terminated the service of the workman without any reason or justification whatsoever. Also the firm never made any allegations against the workman and no charge-sheet was issued to him before or after this illegal and abrupt notice terminating his services. Upon this allegation, the workman claims reinstatement with full back wages and also claims unpaid bonus for 1967. The workman has examined himself as P.W. 1 and has creditably and sucessfully testified to the above allegations. There is no reason for which this witness, whose evidences go unchallenged, is to be disbelieved. Ext. 1 is the letter, dated 8th May 1968, by which the Company summarily terminated the services of the workman retrospectively with effect from 1st May 1968 and this dismissal letter also does not disclose any reason for such abrupt summary termination of the services of the workman. The workman thereafter wrote letter to the firm with request to reinstate him (Ext. 2). But the firm in their replies (Ext. 3) and (Ext. 4) refused to comply with the request or to disclose any reason for such termination. There is also nothing to indicate that there was any allegation of any kind against this particular workman and also no enquiry was held. In the circumstances, it can be safely presumed that the termination of the employment of the workman is mala fide and not justified. The first part of the issue is thus disposed of.

As to the second part of the issue regarding relief to which the workman is entitled the termination of the workman's service having been found not justified above, the workman is well entitled to reinstatement with effect from 1st May 1968 as claimed. Also the workman whose services have been illegally terminated is entitled to full back wages. According to the workman (P.W. 1), he was drawing monthly salary of Rs. 340 at the time of such abrupt termination of his service. He is, therefore, entitled to back wages at this rate. The workman has, however, said that he has already been paid in advance his monthly salary for May 1968 and as such he is entitled to back wages at the rate of Rs. 340 per month with effect from 1st June 1968 till his reinstatement. The workman (P.W. 1) further says that he is also entitled to a sum of Rs. 340 being the amount of bonus for 1967 which was due to him and which was also duly entered in the books of accounts of the firm. The workman, therefore is entitled to this amount of Rs. 340 also as a bonus for 1967. The second part of the issue is thus disposed of.

Accordingly, the Company is directed to reinstate the workman with effect from 1st May 1968 and pay him back wages at the rate of Rs. 340 per month with effect from 1st June 1968 till reinstatement and also pay the workman a sum of Rs. 340 as bonus for the year 1967.

This is my award. This award shall be implemented within one month from the date of its publication in the official gazette. This disposes of the instant reference.

AWARD

By Labour Department order No. 6957-I.R./IR/10L-53/68, dated 14th September 1968, the Governor was pleased to refer the instant dispute between Messrs. Mahesh Industries Corporation, 24 B. T Road, Kamarhati, Calcutta-58, and their workman, Shri Baijnath Singh, 49 Pathuria Ghata Street, Calcutta-6, under section 10 read with section 2A of the Industrial Disputes Act, 1947, to the First Industrial Tribunal constituted under notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication, on the following issue:

Issue

Whether the termination of service of Shri Baijnath Singh is justified? To what relief, if any, is he entitled?

On receipt of the reference usual notices were issued on both the parties. On 17th June 1969 the workman filed his written statement and on 23rd August 1969 the Company filed its written statement. Thereafter on preliminary steps being taken the case was heard on 13rd December 1969, 15th December 1969 and 27th December 1969. The workman examined himself and the Company examined 5 witnesses. Thereafter argument of both the parties was heard and order was reserved. Admittedly the workman Shri Baijnath Singh was a peon and as such a workman and the Company named Mahesh Industries Corporation. The case of the workman is that he worked continuously up to 10th January 1967. He attended his office on 11th January 1967 also but was turned out of the factory. He demanded employment to the Company but to no effect. He went to the Company on 14th January 1967 to collect his dues. But the Company offered him only 10 days' salary which he refused to accept and he was driven away. On 17th January 1967 he sent a letter to the Labour Commissioner raising the dispute. As conciliation failed the Labour Department referred the dispute to this Tribunal.

The case of the Company is that as a peon Baijnath had in his custody stationery articles including drawing boxes. On 7th January 1967 a drawing box was missing from the almirah, key of which was in Baijnath's custody. As he could not give any explanation for the loss of the drawing box a charge-sheet was drawn up against him on the same day. The charge-sheet was tendered to him but he refused to accept it. Thereafter on 10th January 1967 a demestic enquiry was held against him as notified in the charge-sheet. Though Baijnath was aware of the date of enquiry from the charge-sheet which was read over to him by another employee of the Company named Shri Kanai Lal Ghosh

Baijnath did not attend the enquiry. The enquiry was, therefore, held ex-parte in course of which Baijnath was found guilty of misconduct and by letter, dated 11th January 1967, he was dismissed from service. According to the Company this reference is not maintainable as in his letter, dated 17th January 1967, Baijnath claimed retrenchment compensation and leave wages but no reinstatement. It next contends that as Baijnath was dismissed as a result of a domestic enquiry which was held in accordance with the rules of natural justice and in course of which he was found guilty this Tribunal has no jurisdiction to interfere with the dismissal as it is not the case of Baijnath that the said domestic enquiry was illegal.

I shall discuss these points one by one.

For the sake of convenience I shall first take up the question of maintainability of this reference. In his letter, dated 17th January 1967, sent to the Labour Commissioner Baijnath claimed only retrenchment compensation and wages for the period of leave that accrued during the period of service under the Company. In paragraph 6 of his written statement Baijnath claimed retrenchment compensation and his dues in respect of accrued leave, under the West Bengal Shops and Establishments Act, 1963, from March 1965 to January 1967. The learned lawyer for the Company argues that as Baijnath never claimed any reinstatement but claimed only retrenchment compensation and leave wages alleged to be due to him under the West Bengal Shops and Establishments Act, 1963, this reference on the issue as to whether the termination of service of Shri Baijnath Singh is justified? To what relief, if any, is he entitled is not maintainable. Admittedly Baijnath was a peon in the office of Mahesh Industries Corporation. So the provisions of West Bengal Shops and Establishments Act, 1963, are not applicable to him. Secondly there is no doubt that in his letter, dated 17th January 1967. Baijnath claimed retrenchment compensation and leave wages. He advanced this claim on the mistaken belief that the termination of his service was a case of retrenchment. But the Labour Department correctly found out that his case was not a case of retrenchment but was a case of dismissal and therefore, referred this case to this Tribunal under section 10 read with section 2A of the Industrial Disputes Act, 1947. In view of the above discussion I am convinced that the instant reference is maintainable.

The next question is whether Baijnath was thrown out of the employment by the Company all on a sudden without service of any charge-sheet and without any domestic enquiry as alleged by him or he was served with a charge-sheet and a domestic enquiry was held against him in course of which he was found guilty of misconduct as alleged by the Company. Baijnath says that he was never tendered any charge-sheet and no charge-sheet was read over to him. He further says that no domestic enquiry was held against him. Lastly he says that he had no stationery articles including a drawing box in his custody and that no drawing box was missing from his custody. So there was no occasion to serve any charge-sheet against him. The Company on the other hand says that Baijnath was placed in charge of stationery articles which used to be kept in an almirah allotted for the purpose. It is further alleged by the Company that the key of the almirah was also with Baijnath. Next it is alleged that on 7th January 1967, Shri Kanai Lal Ghosh, a Superviser of the Company, asked Baijnath to bring out the drawing box. Baijnath opened the almirah but found the drawing box missing. He could not give any explanation for the loss. So a charge-sheet was drawn up against him. A durwan of the Company named Shri Ajodhya Dubey served the charge-sheet on Baijnath. Then Kanai Babu took the charge-sheet from Baijnath and read it over to the latter. Thereafter Ajodhya tendered the charge-sheet again to Baijnath who having come to know the contents of the charge-sheet refused to accept it. Thereafter a domestic enquiry was held against Baijnath by Shri Babulal Dugar, the then Manager of the Company. In course of the enquiry Baijnath was found guilty of misconduct and thereafter he was dismissed by notice, dated 11th January 1967. In order to prove that Baijnath was in charge of stationery including drawing boxes and that a drawing box was found missing from his custody on 7th January 1967, the Company has examined O.P.W. 1 Shri Babulal Dugar, O.P.W. 2 Shri Bikham Chand Chetlania and O.P.W. 3 Shri Kanai Lal Ghose. O.P.W. 1 Shri Babulal Dugar says that on 7th January 1967, one drawing box was missing from the office inside the factory. He does not say that the drawing box so missing was in the custody of Baijnath. O.P.W. 2 Shri Bikham Chand Chetlania is the Constituted Atterney of the partners of the Company. He says that Baijnath was entrusted with stationery and drawing box and that on 7th January 1967, Superviser Shri Kanai Lal Ghosh complained to him that a drawing box was missing. So Shri Chetlania called Baijnath in whose custody the drawing box was. On his enquiry where the missing drawing box was, Baijnath did not give any reply O.P.W. 3 Shri Kanai Lal Ghosh also says that Baijnath was in charge of the drawing box. He admits in cross-examination that an order was passed entrusting Baijnath with the key of the almirah, containing the drawing box and other stationery articles. Curiously enough the said order has not been produced before this Tribunal. O.P.W. 1 Shri Babulal Dugar does not say that Baijnath was in charge of stationery articles. O.P.W. 2 Shri Chetlania and O.P.W. 3 Shri Kanai Lal Ghosh say that Baijnath was in charge with the stationery articles. But they are interested witnesses. Moreover the order entrusting Baijnath with stationery articles has not been produced before me. This failure of the Company to produce the written order entitles this Tribunal to draw an adverse presumption against the Company, to the fact that no order was passed entrusting Baijnath with stationery articles including drawing boxes. O.P.Ws. 1, 2 and 3 say that on 7th January 1967 a drawing box was missing. But all these three persons are interested witnesses and I cannot on their evidence hold that a drawing box was really missing from the office of the Company on 7th January 1967. The Company has, therefore, failed to prove by cogent evidence that Baijnath was in charge of stationery articles including drawing boxes of the Company and that on 7th January 1967 a drawing box was missing from his custody.

As Baijnath was not in charge of stationery articles including drawing boxes and as no drawing box was lost from his custody, there was no occasion to draw

any charge-sheet against him. Ext. B is alleged to be the charge-sheet. According to Baijnath this Ext. B of which Ext. B1 is a copy has been manufactured for the purpose of this reference after the dispute was referred to this Tribunal. The case of the Company is that not only was the charge-sheet Ext. B was drawn up against Baijnath but it was tendered to Baijnath who refused to accept it. Baijnath emphatically denies this alegation in the box. The onus of proving the tender of the charge-sheet by the Company on Baijnath and Baijnath's refusal to accept it, is on the Company itself. In order to discharge this onus the Company has examined 3 (three) witnesses, namely, O.P.W 2 Shri B. C. Chetlania, O.P.W. 3 Shri K. L. Ghosh and O.P.W. 5 Shri A. Dubey. O.P.W. 2 says that he handed over the charge-sheet to Ajodhya who brought it back and stated that Baijnath did not receive the charge-sheet. So O.P.W. 2 has no personal knowledge about the tender of the charge-sheet on Baijnath. His knowledge regarding the alleged tender of the charge-sheet is derived from Ajodhya. Let us now see what O.P.W. 5 Shri Ajodhya says. He says that Shri Chetlania gave him a letter to deliver to Baijnath when he went to deliver that letter to Baijnath, Kanai Babu was there. He handed over the letter to Shri Kanai Babu who read it over to Baijnath. Thereafter he (Ajodhya) tried to hand it over to Baijnath who refused to accept it. In cross examination Ajodhya says that after the Kanai Babu read over and explained the letter to Baijnath he (Ajodhya) took back the letter and then tried to deliver it to Baijnath. He is contradicted by O.P.W. 3 Shri Kanai Lal Ghosh. Kanai Babu says that at about 1 p.m. Shri Chetlania gave a charge-sheet to Ajodhya. Ajodhya handed over the charge-sheet to Baijnath in his (Kanai Babu's) presence. Then he (Kanai Babu) read over the charge-sheet to Baijnath and put his signature on it. Baijnath then refused to accept the charge-sheet. In cross-examination Kanai Babu has made the process of tender clear. He says that after Ajodhya handed over the charge-sheet to Baijnath the latter gave it to Kanai Babu. Then Kanai Babu read it over to Baijnath and explained its contents in Hindi. Then Kanai Babu tried to hand it over to Baijnath again but Baijnath did not accept it. After Baijnath refused to accept the charge-sheet Kanai Babu put his Signature below the endorsement which was already typed. We, therefore, see that according to Ajodhya the charge-sheet was first handed over to Kanai Babu who read it over Baijnath. Then Ajodhya took back the charge-sheet from Kanai Babu and tendered it to Baijnath who refused to accept it. But Kanai Babu gives completely different version. According to Kanai Babu Ajodhya first handed over the charge-sheet to Baijnath who made it over to Kanai Babu. Then Kanai Babu read over and explained the charge-sheet to Baijnath and then Kanai Babu tried to hand it over to Baijnath again but Baijnath did not accept it. This contradiction is due to the fact that both Banai Babu and Baijnath who are still employees of the Company are tutored witnesses. One thing that will strike everyone is that after Baijnath refused to accept the charge-sheet when its contents was read over and explained to him no attempt was made to serve the same on Baijnath through registered post. Every man with ordinary intelligence and prudence would have after the alleged refusal, sent the charge-sheet under registered post. Shri Chetlania did not appear to be lacking in ordinary intelligence and prudence. In spite of that there was no attempt on his part to send the alleged charge-sheet under registered post to Baijnath. Absence of attempt to serve through post is due to the fact that such attempt would have brought the cat out of the bag. It would have shown that the charge sheet was brought into being after the reference was made by the Labour Department. The fact that the charge-sheet Ext. B contains an endorsement by Kanai Babu that he read over and explained the charge-sheet to Baijnath, but no endorsement by Kanai Babu that Baijnath refused to accept the charge-sheet must not also be overlooked. Had the charge-sheet being actually tendered to Baijnath by Ajodhya in presence of Kanai Babu the latter would also have added an endorsement to the effect that though tendered Baijnath refused to accept the charge-sheet. I, therefore, hold that the alleged charge-sheet Ext. B was never tendered to Baijnath and as such Baijnath had no occasion to refuse to accept it. In these circumstances the proceeding of the domestic enquiry alleged to have been held by O.P.W. 1 Shri Babulal Dugar, an ex-employee of the Company concerned, must also be held to be a manufactured document. In this connection it is to be noted that the alleged letter of dismissal, dated 11th January 1967, is alleged to have been tendered to Baijnath who denies such tender There is no endorsement on this letter Ext. E that it was tender to Baijnath who refused to accept it. Curiously this letter of dismissal was also not sent by registered post to Baijnath. I am convinced that this letter of dismissal has also been manufactured for the purpose of this reference.

It is clear, therefore, that the service of Baijnath was terminated though he was not guilty of any misconduct and without any charge-sheet being tendered to him and also without holding any domestic enquiry. Baijnath is, therefore, entitled to reinstatement. The learned lawyer on behalf of the Company argues that Baijnath should not be believed because it will appear that he has no regard for truth in his deposition Baijnath has stated that though he was appointed at a consolidated salary of Rs. 80 per month at the time of dismissal he was drawing a consolidated salary of Rs. 105 per month. O.P.W. 4 Shri Bashta Raj Dagha who is the accountant of Mahesh Industries says with reference to the payment register of the Company that even in December 1966 Baijnath drew Rs. 80 per month as his salary. The learned lawyer for Baijnath accpts the correctness of this entry Ext. A in the payment register of the Company. So Baijnath's claim that subsequent to his appointment his salary increased to Rs. 105 per month is unfounded. Secondly Baijnath claims that he was appointed in March 1965, but Ext. 1 records his date of appointment as 15th October 1966. Baijnath tries to explain away this discrepancy by saying that originally he is served as peon of the office of the Company situated in Cotton Street subsequently the office was shifted to 24 B. T. Road and the date of appointment given in Ext. 1 is the date on which he was transferred to the new office of the Company. Be that as it may, it appears that at least his claim in respect of salary is unfounded. But that does not prove that all his statements are to be disbelieved. The story of loss of the drawing box from the custody of Baijnath, drawing up a charge-sheet against him and holding

of domestic enquiry against him is so improbable that unless strong evidence would have been adduced to prove it nobody would have believed it. The Company has failed to adduce cogent evidence in support of the above story. So the aforesaid story of the Company has been disbelieved. But the fact remains that at the time of dismissal Baijnath used to draw a consolidated salary of Rs. 80 per month.

In the circumstances it is held that the service of Shri Baijnath Singh was terminated without issue of any charge-sheet and without any domesic enquiry. He is, therefore, entitled to reinstatement and back wages at the rate of Rs. 80 per month from 11th January 1967 up to the date of reinstatement. The above order must be given the effect to within one month from the date of the publication of this award in the "Calcutta Gazette".

AWARD

This is a reference to this Tribunal under section 10 of the Industrial Disputes Act by the Government of West Bengal, Labour Department, order No. 7360-I.R./IR/10L-21(G)/68, dated 10th October 1968, for adjudication of an industrial dispute relating to the undermentioned issue existing between Messrs. Hindusthan Steel Ltd., Durgapur Steel Plant, Durgapur and their workmen represented by Hindusthan Steel Employees' Union, Durgapur:

Issue

Whether termination of service of Shri Krishna Singh is justified? To what relief, if any, is he entitled?

On receiving the reference this Tribunal issued notices to the parties and they appeared and filed their respective written statements. The Company took preliminary objection alleging that the concerned workman Shri Krishna Singh had filed a case under the Payment of Wages Act and as such the present reference is not maintainable. I heard the matter at length and decided this point in favour of the Union and against the Company by my order No. 12, dated 26th July 1969. Thereafter it was directed that the case would be heard on merits on 17th November 1969. As the Union prayed for time the case was adjourned to 9th January 1970.

Today the representatives of the Company and the representatives of the Union are present and the concerned workman Shri Krishna Singh is also present. Both parties have filed a joint petition of compromise today in this Tribunal incorporating terms of settlement and they pray that an award be passed in terms of the settlement arrived at between the parties.

I have considered the petition of compromise. The terms of compromise appear to be fair, lawful and reasonable and I accept the same. Accordingly I pass this award in terms of the joint petition of compromise which along with the Annexures be made part of this award.

Dear Sir,

I served your organisation with utmost devotion for a period of about two and a half years, being attached to MHEOD.

There was some misunderstanding arising out of the incident of the alleged assault on Shri P. H. Bhabnani where I was made the victim of circumstances. I was held guilty by a Committee and was subsequently dismissed from the services. A dispute was raised and the matter with regard to the validity of my dismissal is lying before the Hon'ble Ninth Industrial Tribunal.

Some six years have since passed. I would humbly request you to kindly consider my case sympathitically and witout going into the merit of the case to kindly offer me a fresh appointment in the post I was dismissed from protecting of course my last pay drawn. If this is kindly agreed to by your goodself I shall withdraw the dispute as mentioned above and shall not claim any benefit whatsoever for the period of my non-employment with you.

I trust you will kindly consider my case particularly in view of the fact that I served most faithfully but for the fact that I was made a victim of circumstances.

I can assure you, Sir, in case my case for fresh appointment is considered I shall serve the Company most faithfully and with utmost devotion and will cause my superiors' complete satisfaction in the right discharge of my duties.

Yours faithfully,
Krishna Singh.

AWARD

By order No. 4421-I.R./IR/11L-371/69, dated the 4th June 1969, the Government of West Bengal, Labour Department, referred an industrial dispute existing between Messrs. India Paint & Chemical Works Ltd., 21 Gopal Chandra Bose Lane, Calcutta-50 and their workmen represented by East India Paint Workers' Union, 1/1 Jay Bhattacharjee Lane, Calcutta-3, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

Whether the closure of the factory with effect from 27th May 1969 is real?

To what relief, if any, are the workmen entitled?

On receipt of the order of reference usual notices were issued to the parties by this Tribunal and in response to those notices the Union and the Company entered appearance and filed their respective written statements in the case on different dates. The case was thereafter fixed on 25th August 1969 and 26th August 1969 for hearing. But it could not be taken up for hearing on those dates as the parties failed to take some preliminary steps in due time. Then on 6th October 1969 the Company filed a petition stating that the factum of closure of the factory, which is the issue under the present order of reference, was already answered in the affirmative by this Tribunal

by its order No. 40, dated 26th June 1969, in case No. VII-618/67 arising out of Government order No. 3768-I.R./IR/11L-344/67, dated 10th August 1967, and it was further reiterated by this Tribunal in its order No. 43, dated 26th July 1969, passed in the said proceedings and consequently, the present reference should not be proceeded with any further and it is no longer maintainable in law. It was also prayed for by the Company that the above point should be heard as a preliminary point, and the reference should be disposed of on a finding that it is no longer maintainable.

On 30th October 1969 the Union filed a written objection to the aforesaid prayer of the Company made in its petition, filed on 6th October 1969. In that petition it has been contended by the Union that the order Nos. 40 and 43 passed in case No. VIII-618/67 by this Tribunal on 26th June 1969 and 26th July 1969 respectively were not really awards and hence those cannot be treated as final so as to attract the application of the principles of res judicata. Some other minor objections were also taken in that petition by the Union. So, the question which arises for consideration is—whether the issue under the present Order of Reference was heard and finally decided by this Tribunal formerly in case No. VIII-618/67 and whether it found that the factory was really closed with effect from 27th May 1969, and if so, whether the present proceeding should be disposed of as barred by the principles of res judicata.

The learned representatives of the Company and of the Union were heard at length on the point. On behalf of the Company it has been contended that by this Tribunal's order No. 40, dated 26th June 1969, passed in case No. VIII-618/67 (a copy of which was enclosed to the Company's petition filed on 6th October 1969) it was finally determined that the Company closed down its factory permanently since 27th May 1969 and that finding of this Tribunal was mentioned over again in order No. 43, dated 26th July 1969, passed in the aforesaid case (a copy of that order too was attached to the Company's petition filed on 6th October 1969). So, this Tribunal cannot, as contended by the Company, again go into that question which is in fact the issue in the present order of reference. On the other hand, it has been contended by the learned representative for the Union that the orders Nos. 40 and 43 in question being unpublished orders cannot be treated as awards and as such they cannot invite the application of the principles of res judicata. In elaborating that point it has been argued by the learned representative for the Union that an award does not become enforceable unless it is published in the official gazette, and that being so, the orders Nos. 40 and 43 in question, which were not admittedly published in the official gazette, are not enforceable at all and the question of the application of the principle of res judicata cannot hence, as contended by him again, arise at all. But, in my opinion, there is much difference in between the question as to the enforceability of an award and the question as to its binding character in relation to the parties. The learned representative for the Union has cited several rulings viz., 1962 L.L.J. (I) 261, and 267; 1964 L.L.J. (I) 601; and 1958 L.L.J. (II) 183, in support of his contention that an unpublished order does not operate as res judicata. But on a perusal of those cases I do not find any observation therein in support of that contention. The moot point for consideration is whether by the orders, referred to in the Company's petition there was final determination of the issue involved in the present reference, and if so, whether that order is binding on the parties. May be, that the orders in question were not published, but that would not, in my opinion, take away their binding character in relation to the parties if those orders were passed in presence of the parties and at the instance of any of them. Now, I find on a perusal of the order No. 40, dated 26th June 1969 (copy enclosed with the Company's petition), that on 4th June 1969 a petition was filed by the Company in case No. VIII-618/67 stating that the Company closed down its factory permanently on 27th May 1969 and that on 10th June 1969 the Union filed a petition of objection admitting the fact of closure of the factory of the Company but contending that it was an instance of lock-out only. So, the question as to whether the Company really closed its factory permanently on 27th May 1969 came up before my predecessor-in-office at the instance of a party and it was decided by my predecessor-in-office (vide his order No. 40, dated 26th June 1969 in case No. VIII-618/67) in presence of both the parties (i. e. the present Company and the present Union) and after hearing both of them. The finding of my predecessor-in-office on that issue, even if erroneous, must hence operate as res judicata between the parties. Now, his finding was, as that order goes to show, that the factum of closure of the factory was proved in that case, and, therefore, I must hold that my predecessor-in-office already found that the closure of the factory with effect from 27th May 1969 was real. But it has been contended by the learned representative for the Union that there is difference between the term "fact" and the term "factum" (used in order No. 40 in question and in support of that contention he has drawn my attention to the meaning of those terms as given in the Chambers's Twentieth Century Dictionary. But on consulting that Dictionary I do not find any difference between the meanings of those terms. The meaning of the term "fact" has been given therein as "a deed or anything done etc." and the meaning of "factum" has also been given therein as "a thing done, a deed". So virtually there is no difference in between the meanings of those two terms. Even if there be any difference in the matter, it has actually a difference without any distinction. Moreover, if we go through the entire order No. 40, dated 26th June 1969, passed by my predecessor-in-office in case No. VIII-618/67 we are bound to find that by that order my learned predecessor-in-office came to a clear finding as to the reality of the closure of the factory with effect from 27th May 1969. Various issues were involved in case No. VIII-618/67 which arose out of Government order No. 3768-I.R./IR/11L-344/67, dated 10th August 1967, and after finding that the factory permanently closed down since 27th May 1969 my learned predecessor-in-office considered to go into the merits of all the issues involved therein excepting issue No. 5. On that finding he also declined to go into issue No. 2 in case No. VIII-51/68 pending between the same parties. Then I have already indicated that in coming to the finding regarding the closure of the factory with effect from 27th May 1969 my learned predecessor-in-office declined the objection raised by the Union on the point.

There the Union's specific case was that the closure was nothing but an instance of lock-out, and that objection was overruled by my learned predecessor-in-office as it was not, according to him, substantiated by any evidence. All these together undoubtedly go to prove that my learned predecessor-in-office found actually that the closure of the factory with effect from 27th May 1969 was real. It has also been argued by the learned representative for the Union that the question regarding the closure of the factory, which is the issue involved in the present reference, was not directly and substantially in issue in the earlier proceeding, i.e., in case No. VIII-618/67, and hence the order No. 40, dated 26th June 1969, passed in that proceeding cannot operate as res judicata. It is true that the issues referred for adjudication by Government Order No. 3768-I.R./IR/11L-344/67, dated 10th August 1967, which gave rise to case No. VIII-618/67, did not comprise any issue regarding the closure of the factory. But I have already pointed out that on 4th June 1969 the present Company filed a petition in that case stating that the Company permanently closed down its factory on 27th May 1969 and consequently the services of the workmen were terminated from that date and adjudication of the issues referred to this Tribunal by that Government Order was not necessary. The Union too filed written objection, as already stated, to that petition and so the question as to whether the factory was really closed from 27th May 1969 assumed importance in that case and my predecessor-in-office had to determine that question as incidental to the points referred to him. Therefore, it must be deemed that the said question was directly and substantially in issue in that proceeding as well. Again, it has been contended by the learned representative for the Union that the issue involved in the present reference consists of two parts and with regard to the second part thereof there was no finding either in the order No. 40 or in the order No. 43 in question, and accordingly that part of the issue must be heard by this Tribunal in the instant case. But I cannot persuade myself in any way to accept that contention. The issue involved in the present reference runs as follows:—

"1. Whether the closure of the factory with effect from 27th May 1969 is real?

2. What relief, if any, are the workmen entitled?"

Now, if we read the entire issue closely it becomes clear that the second part of the issue would arise for determination only if the first part thereof is decided in favour of the Union. But the first part of the issue cannot be gone into again because of the operation of the principle of res judicata, it having been found already by my predecessor-in-office in another earlier proceeding between the same parties that the Company's factory closed down actually with effect from 27th May 1969. So, the second part of the issue cannot also, in my opinion, be gone into. The result is undoubtedly unfortunate so far as the Union is concerned. But in view of the facts and circumstances of the case, the standpoint taken by the Union before my predecessor-in-office while he was dealing with the question in controversy, and the clear finding of my predecessor-in-office vide his order No. 40, dated 26th June 1969 in case No. VIII-618/67) on that question I cannot but hold that the instant case cannot be proceeded with further because of the operation of the principle of res judicata, and that the reference is no longer maintainable.

This is my award.

AWARD

By the Government of West Bengal, Labour Department, order No. 6010-I.R./IR/8L-70/69, dated the 8th August 1969, an industrial dispute existing between Messrs. Behala Shyamshree Co-operative Powerloom Society Ltd., 5 North Nowdapara Road,

Ariadah, 24-Parganas and their workman Shri Ranjit Kumar Dey represented by Sanjukta Co-operative Powerloom Workers' Union, 64 Feedar Road, Belghoria, Calcutta-56, was referred to this Court under section 10 read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue :

Issue

Is the dismissal of Shri Ranjit Kumar Dey justified? To what relief, if any, is he entitled?

Usual notices were issued to the parties fixing 22nd September 1969 for their appearance. On 22nd September 1969 both the parties were found absent. The notice issued to the Union was served but the service of notice upon the Company was not known The case was, therefore, directed to be put up on 14th October 1969 for orders. Even on that day neither of the parties was present. The notice which was issued to the Company was received back unserved with the postal remark 'not claimed'. The case was then fixed on 12th November 1969 for orders. Even on that day both the parties were found absent and the case was adjourned till 27th December 1969 for orders. Even on 27th December 1969 both the parties were again found absent. In the circumstances, I am inclined to believe that the parties are no more interested in proceeding with the case, and the dispute under reference is no more in existence. I, therefore, pass a "no-dispute" award in this case. The reference is thus disposed of.

AWARD

By order No. 6917-I.R./IR/11L-282/68, dated the 9th September 1969, the Government of West Bengal, Labour Department, referred an industrial dispute existing between Messrs. Krishna Chandra Dutta (Spice) Pvt. Ltd., 6-8 Cossipore Road, Calcutta-2, and their workman Shri Ganesh Chandra Paul, village Prosastha, P.O. Unsani, district Howrah, to this Tribunal under section 10 read with section 2A of the Industrial Disputes Act, 1947, for adjudication on the following issue :

Issue

Whether termination of service of Shri Ganesh Chandra Paul by way of refusal of employment to him is justified? To what relief, if any, is he entitled?

After the receipt of the order of reference usual notices were issued to the parties by this Tribunal fixing 7th October 1969, for their appearance. Both the parties i.e., the Company and the workman concerned appeared on that date and the workman was thereafter directed to file his written statement by 7th November 1969. On that date the workman concerned prayed for an extension of time to file written statement, and time was extended till 9th December 1969, for that purpose. But on 9th December 1969, the workman did not appear nor took any steps whatsoever. But still he was given another chance for filing written statement on 30th December 1969. But on that date also none appeared on behalf of the workman concerned and no steps taken on his behalf. Under the circumstances, it can be reasonably presumed that the parties are no longer interested in the case and that no dispute exists any longer between the parties. Hence, I pass a "no-dispute" award in the case.

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri R. R. BANERJEE, Judge,
Second Industrial Tribunal.

The dispute between Messrs. The Nuddea Mills Union (Nuddea Jute Mills Branch), Kantalpara Company Ltd., P.O. Naihati, district 24-Parganas and their workmen represented by Bengal Chatkal Mazdoor Union (Nuddea Jute Mills Branch), Kantalpara (Radhaballavtala), P.O. Naihati, district 24-Parganas has been referred to this Tribunal for adjudication by order No. 5672-I.R./IR/7L-18/68, dated Calcutta, the 31st July 1969, of the Government of West Bengal, Labour Department, with the following issue :

Issue

Whether dismissal of Shri Sibendra Nath Bhattacharjee by the management is justified? To what relief, if any, is he entitled ?

After the case was registered due notices were served on the parties and they appeared. Union filed its written statement on 10th October 1969 and the Company filed its written statement on 1st December 1969. The case was fixed on 12th January 1970 for filing documents by the parties. On 12th January 1970 the parties have filed a petition of compromise making the Memorandum of Settlement Annexure "A" to it.

I have gone through the terms of settlement. They are not opposed to any provisions of law or to morality or to public policy and are legal within the meaning of the Indian Contract Act. I therefore accept the terms of settlement agreed upon between the parties.

I have been asked by the learned Lawyer Shri S. N. Banerjee, Advocate, appearing on behalf of the Company to see if the terms are just and fair. The parties settled the terms of agreement which they found to be just and fair to each other. I do not want to impose on them which I consider to be just and fair, which may not be considered by the parties to be just and fair. This Tribunal has not been given any such power by the Industrial Disputes Act, 1947, of which it is the creature.

The case is, therefore, disposed of in terms of compromise petition together with the terms of settlement which has been made Annexure "A" to it excepting sub-paragraphs (i), (ii) and (iii) of paragraph 4 of the Memorandum of Settlement which do not relate to the present case. The petition of compromise and the Memorandum of Settlement excepting sub-paragraphs (i), (ii) and (iii) of paragraph 4 of the Memorandum of Settlement do form part of the award.

Short recital of the case :

As per clause (3) of the Terms of Settlement of the Tripartite Agreement, dated the 11th April 1969, and the other points raised by the Union a number of meetings took place between the parties both the bipartite and the tripartite levels. The following agreement after discussing all the demands raised by the Union and other issues was arrived at during the course of conciliation.

1. It is agreed between the parties that :

(a) Out of the temporary workers numbering 32 + 6 of the Cell House, the Company reported that 7 + 1 have not reported to their duties so far. It is agreed by the Union that those, who had not reported for duty within 15 days from signing of the last agreement, will lose their lien on service.

(b) The Union pointed out that there are 12 more temporary workmen whose names were omitted from the original list. The Company agrees that they will be allowed to resume their duties from the dates they are required to report on duty according to work requirements under the phased starting programme vide clauses 1, 2 and 3 of the settlement, dated 27th September 1969. (list enclosed.)

(c) It is, however, agreed that those who are exclusively employed in expansion work out of these 12 workmen will not be given employment. Whichever persons are finally taken, other workers recruited subsequent to this will be removed to make way for these persons. It is agreed that this will not lead to any industrial dispute.

(d) The Union hereby agree that they will not raise any further claim for employment of temporary workers beyond what has been agreed in this agreement.

(e) At the request of the Joint Labour Commissioner, West Bengal, the Management agree, as a gesture of goodwill and without creating any precedent to advance one month's wages, i.e., basic and D. A. to all the temporary workmen taken back under this agreement as well as the previous agreement, dated 11th April 1969, at the rate paid to them at the time of termination. This advance will be kept in abeyance for six months and shall be written off thereafter depending on the performance of the workers so taken back.

2. The Company have already made a list of workmen numbering 67 who are required to be examined by the Medical Board as per clause 21 of the Tripartite Agreement, dated 11th August 1967. It is agreed between the parties that these cases shall be proceeded with in terms of the aforesaid agreement.

3. The Union agree that the action taken in the case of Shri Basdeo Ram, Khalasi of Despatch Department, by the Management on grounds of physical unfitness, should be proceeded with as per clause 21 of the agreement, dated 11th August 1967. This is in partial modification of the previous agreement, dated 11th April 1969, in this regard.

4. (a) With regard to the 10 suspended workers, who have been allowed to resume work as per tripartite agreement, dated 11th April 1969, it is

agreed that the Management on the recommendation of the Conciliation Officer and as a gesture of goodwill will pay them 35 per cent. of the basic and D.A. at the rate payable at the time of suspension for the period of unemployment from the date of suspension till 17th June 1969, provided they report for duty as per settlement, dated 27th September 1969, excepting the case of Shri Mahendra Singh.

(b) It is agreed that Shri Mahendra Singh will express sincere regret in regard to the charges levelled against him and assure that he will henceforward do his duty diligently and conscientiously.

5. It is further agreed that as regards the 10 suspended workers, who have been allowed to resume work, as a gesture of goodwill and on receipt of letters from individual workmen as draft enclosed, the Company agrees not to proceed further with the charge-sheets issued against them.

The Union assures on behalf of the workmen that they would work carefully and in a disciplined manner.

6. In view of the above settlement the parties hereby agree that they would submit a joint petition before the Fourth Industrial Tribunal for an award in terms of this settlement relating to the case of Shri Ram Narain Misra.

7. It is agreed between the parties that the management in the interest of administration and discipline would reorganise the Watch and Ward Department and with a view to which additional heads will be recruited. The additional recruitment will not affect the employment or service conditions of the existing Watch and Ward staff. It is agreed that the provisions of the existing agreement, dated 11th August 1967, in respect of Watch and Ward staff will continue to apply.

8. With regard to 17 dismissal cases, the management pointed out that there are six cases involving theft and one case of long absence without notice (list enclosed). It is agreed by the Union that they will not raise any dispute or contest these 7 cases.

This does not prejudice the right of the individual workman to contest his case.

9. (a) In regard to 10 other dismissal cases (list enclosed), it is agreed by the Company that they will be allowed to resume from the date and time each one of them is required to report for duty according to work requirements under the phased starting programme vide settlement, dated 27th September 1969. They will not lose continuity of service.

(b) It is further agreed by the management on the recommendation of the Conciliation Officer and as gesture of goodwill that these workmen will be paid 35 per cent, of the basic and D. A. at the rate payable at the time of their dismissals, for the period of unemployment till 17th June 1969, provided they resume work under the phase starting programme vide settlement, dated 27th September 1969.

(c) It is further agreed that the dismissed workmen, who are being allowed to resume work under this settlement would write to the Company individual letter as per draft enclosed and on receipt of the letter the Company agrees to treat this matter as closed.

(d) With regard to these cases also the parties agree to submit a joint representation to the Fourth Industrial Tribunal for passing an award in the light of this agreement.

(e) The Union assure on behalf of the workmen that they would work carefully and in a disciplined manner.

(f) It is agreed between the parties that as soon as the dismissed workmen join their duties the acting allowance, if any, given to other workmen working consequence to the dismissal shall cease and the workers recruited subsequently shall be removed to make a way for these persons. It is further agreed that this will not lead to any industrial dispute.

(g) Shri Ram Bilas Rai, Operator, Cells House and Shri Krishna Passi, Fitter, Central Workshop, out of the above 10 workmen, will be issued charge-sheets and put under suspensions pending enquiry after the opening of the Factory. The Management will complete the enquiry into their cases within ninety days from the date of issuance of suspension orders and shall take appropriate action in case they are found guilty.

The suspension order will be issued on their reporting for duty.

These two workmen shall be paid subsistence allowance at the rate of 50 per cent. of their basic wage and D.A. for the period of suspension provided they are not working elsewhere and present themselves at the usual pay day for taking payment.

10. Both parties hereby agree to co-operate with each other in their mutual interest.

11. The Union hereby accepts the above terms of settlement relating to all outstanding demands as referred in the Agreement, dated 11th April 1969.

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in

General concession in age

(1) (a) **For Political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Castes/Tribes candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For displaced persons:** The upper age limit is relaxable up to 45 years for displaced persons who migrated to India from East Pakistan on or after January 1, 1964 and repatriates from Burma and Ceylon who migrated on or after 1st June 1963 and 1st November 1964 respectively. This concession in age to displaced person shall remain in force up to December 31, 1969.

The bona fides of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of pay

(2) (a) **For persons already in permanent service under the Government of West Bengal:** If a permanent Government servant is permitted to apply and is selected for a

post in open competition with outsiders, his/her initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If however, such a recruit is prepared to resign his/her appointment under Government, before applying, he/she will be eligible for the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his/her pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale, provided that he/she has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

(5) Candidates must enclose with their applications a fee of Rs. 5 (Rs. 1.25 for candidates belonging to Scheduled Castes or Scheduled Tribes) in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal".

Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Orders, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal".

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

Except under certain special circumstances, fees paid with the applications are not refunded.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1969.

A candidate claiming such exemption must furnish besides evidence required under paragraph (1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he/she is not in a position to pay the prescribed fee.

For a Gazetted post, an indigent displaced person shall, in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by the candidate will be refunded afterwards. For a non-Gazetted post such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Castes or Scheduled Tribes must furnish with his/her application a certificate in original from a Gazetted Officer or from a Member of Parliament or State Legislature belonging to the Scheduled Castes or Scheduled Tribes specifying the particular caste or tribe to which the candidate belongs.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from persons interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service. Candidates serving under Government or a local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not, however, be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.
